## **Year 5 Bike Education Program 2017**

Dear Parents,

Year 5 students will be participating in our Bike Education Program from Monday 11<sup>th</sup> to Friday 15<sup>th</sup> December, with the final ride to Jells Park on Monday 18<sup>th</sup> December.

Students will be required to bring their bikes to school for Bike Education lessons, an on-road test and a final 'fun day' of riding.

Prior to the commencement of our program parents need to check their child's bike for roadworthiness using the attached checklist. Once checked, any necessary repairs are to be carried out. Once the bike is roadworthy, please sign the checklist and return it to your child's teacher.

**All students must wear an approved helmet.** Approved helmets carry the Australian Standards Mark AS 2063.2 or AS/NZS 2063.

**Students will not be allowed to participate in the Bike Education Program using a bike that has not been approved as roadworthy.**

**It is a legal and safety requirement that all bikes have a working bell.**

Please complete and return the attached permission form to enable your child to participate in the Bike Education Program.

We will require parental support throughout the Bike Education program, particularly with the on-road testing and the excursion. Without parental support, the Bike Education program cannot take place. Could you please indicate whether you are available on one or more of these dates?

Thank you,

Robyn Davis, Alicia Hendy and Chris Kijek
