Vice President: Kim Armstrong-Fray
Secretary: Judy Poll

There was discussion around lots of ideas and the very first event for the year is already being organised for 4 March. Keep the date free for an evening with Libby Gore (Elle McFeast). I can’t wait, hope to see you there.

Insurance

I would like to remind parents/guardians that:

• parents/guardians of students are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs; and
• parents/guardians can purchase insurance policies from commercial insurers

The Department does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.

If you have any questions or concerns please always know that I am available to speak with you. Do not hesitate to contact me by phone or make an appointment via the office.

Kind regards
Janet Evison
Principal
IB NEWS

LEARNER PROFILE

As part of the IB program, all students will be learning about the Learner Profile attributes. Each newsletter over the few months, will give you an insight into the one of the Learner Profile, what they mean and how parents can help their child/ren understand and develop these attributes at home.

CARING

Students will develop empathy, compassion and respect towards the needs and feelings of others. They have a personal commitment to service, and act to make a difference to the lives of others and to the environment.

ACTIVITIES FOR PARENTS

• Role modeling the caring behavior you would like to see in your child all the time. Using kind words, helping people without being asked, being an active listener, always show you care about people.
• After reading a book, spend some time considering how people in the book acted. Was some caring? Were all the characters in the book caring or were just some of them?
• Practice random acts of kindness. Simple things like holding the door for someone or helping to carry bags shoes that you are aware of others and want to help them

PERSONAL ACCIDENT INSURANCE

Parents are reminded that the Department of Education and Early Childhood Development (DEECD), does not provide personal accident insurance for students.

Parents and guardians are responsible for paying the cost of medical treatment of injured students, including any transport/ambulance costs. Reasonable low cost accident insurance policies are available from commercial insurers. To find a suitable personal accident insurer, contact your insurance broker or search on line.

PERSONAL PROPERTY

Students should be discouraged from bringing any unnecessary or particularly valuable items to school as the Department of Education and Early Childhood Development does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property. Personal property includes such items as mobile phones, calculators, toys, sporting equipment and cars parked on school premises.

STAFF CAR PARK

Please do not enter or park in the Staff Car Park as this is reserved for staff parking only and most importantly, children’s safety may be put at risk as they are not expecting moving cars during school hours.

PLEASE DO NOT WALK THROUGH THE STAFF CAR PARK

SECOND HAND UNIFORM SHOP

Please note that for 2016, the second hand uniform shop will be open on the first Tuesday of every month.
OFFICE REQUIRES VOLUNTEERS FOR SICK BAY LINEN ROSTER

Every Friday we change our linen. We usually have a roster so that each person only ends up on duty a couple of times per term. You would be required to come in at 3.30pm on a Friday, strip the sheets and pillow cases and remake the two beds. We ask that you take the linen home and wash them and return them to sick bay the following week. If you are able to assist, please see the office staff or contact them on 9764 5533. Any help will be much appreciated.

Music Lessons for Grade 4, 5 & 6 (Instrumental music extension program)

The intake of 2016 music students is being planned now. Those wanting more information should express their interest by emailing ismusic@bigpond.com

This elective, extension music program is a fee for service program provided by Andrew McAlister and a team of specialist musicians from In Schools music. Lessons are in school time.

Information sessions including a “What Instrument Suits Me?” program are available to assist parents and students before starting formal lessons on a range of different instruments. Identifying the right instrument for your child plays a major role in their musical success.

WORKING WITH CHILDRENS CHECK

School Council has requested that all parents volunteering at Heany Park hold a current Working with Childrens Check (WWC). The volunteer checks are free to parents. They can be applied for at the following online site
Further details on the application process are provided at the end of the newsletter.

Once you have lodged your application, please bring a copy of the receipt and documentation to the School Office for our records.

BOOK CLUB

Welcome back to another school year parents!

Book club is running again and has been made easier with the online ordering and paying of LOOP. A brochure with instructions have been given out to the prep classes and will also be sent via tiqbiz and in the newsletter as well. The first issue was handed out today and is due back next Thursday 11th February.

Claire and myself are looking for a couple of helpers for this year. We generally hand out, order and deliver Book club on Thursdays so if you are free for an hour that would be great. Please contact me on 0417 346 863 or chat to the office staff if you want to know more.
Welcome all parents to another year of Book Club. Heany Park will now be using the Linked Online Ordering & Payment system for parents. It’s easy!

We encourage all parents to order and pay using this new system.

We will still be taking orders that are sent to the classroom for now but this may change in the future.

Please find the instructions

Dear Parents,

Enrolment Forms for Out of School Hours Care 2016 are now.

Everybody who requires care for their child in 2016 will need to enrol their child. This includes those children who are enrolled this year, as they are required to re-enrol.

You may hand your forms in during OSHC program hours or at the School Office.

New families into the program will be offered the opportunity to meet with the OSHC Co-ordinator and to discuss the individual needs of your child.

Enrolment forms are available from the Out of School Hours Program or from the School Office.

Confirmation of obtaining a position will be sent to you and you will be required to make a deposit of $25.00, per family. If you do not make this payment you will have relinquished your position. The $25.00 deposit is non-refundable but will be deducted from your fees in 2016.

We would like to take this opportunity to thank you for enrolling in our Service and look forward to caring for your child in 2016.

With regards,

Sue Houghten
(Educational Leader,
Nominated Supervisor,
OSHC Co-ordinator)

Free Dental Care is not just for Children of Health Care Card Holders.

Children and youth who attend public dental clinics will NOT incur out of pocket expenses with the Child Dental Benefit Schedule

NO FEES ~ YOU WILL BE BULK BILLED!

On January 1st 2014, the government introduced the new Child Dental Benefit Scheme. Families who receive Family Tax Benefit Part A or a relevant Australian Government payment will receive a letter outlining their eligibility.

It entitles all eligible children aged 2-17 years old to general dental care up to the value of $1000 over 2 years.

Our normal dental care continues to operate for all 0-12 year old children and eligible 13-17 year old youth at no cost. (Youth must be a holder or dependant of a health care or pensioner concessioner card holder, in out-of-home care provided by Department of Human Services or in Custodial Care).

Following their treatment, your child will be placed on our patient recall system and receive a reminder letter when their next appointment is due.

Please do not hesitate to phone the reception staff on 9757 6200 at Knox Social and Community Health if you require any further information about our dental services.

Thank you for your assistance.

Working With Children Checks

Dear Heany Park Families,

Below is an extract from our School Newsletter explaining the reasons and implications of the Working With Children Check

Parent volunteers are a valuable asset to our school. Their contributions and support to our staff and students over the years has helped make Heany Park Primary School the wonderful school it is today.

There are many opportunities for parents to become involved with the school such as assisting teachers and students with classroom activities and reading, volunteering to assist at excursions, camps or sporting events, running programs such as our monthly book club, student banking and much more.

In order to ensure we provide a safe and secure environment for our children and all members of our school community, including our parent volunteers, School Council has asked that from the beginning of the 2014 school year all parents volunteering at Heany Park Primary School hold a current Working With Children Check. This requirement is also in line with the Department of Education and Early Childhood Development guidelines and the Working With Children Act 2005. As of Semester 2, the school requires all parent volunteers to have a current Working With Children Check.

Because of this requirement only people who have a current Working With Children Check and who have been asked by a member of our teaching staff are able to attend and participate in school excursions. If you do attend an excursion you will not be able to join the Heany Park Primary School group for the educational activities or to interact with the students.

It also means that all volunteers, whether for classroom activities, camps, sporting events etc, require a current Working With Children Check.

To apply for a Working With Children Check simply follow these steps:
1. Go online to www.workingwithchildren.vic.gov.au
2. Click on the Apply for Check button
3. Scroll to the bottom of the page and click on the Start Application button
4. When you have completed all the questions simply print your application and lodge it with a passport size photo at your Local Post Office.

Please ensure that you list Heany Park Primary School as an organisation at which you are volunteering.

There is no cost to apply for a Working With Children Check for parent volunteers. There may however be a cost involved with obtaining a passport size photo. A card will be issued to you once all checks have been passed and this card will be valid for 5 years and can be used when volunteering at sporting clubs, kindergartens and so on, providing the organisation is listed on your application.

Thank you for your support.
