**Congratulations to our Whole School Community**

Thank you to the whole school community for your support this term. Education is certainly a partnership between home and school and also the wider community.

**Thank you Staff**

I want to especially thank staff for their dedicated committed work. I feel very privileged to be a Principal in a school where relationships are at the core of our work and the social and emotional needs of students are met through a balanced and comprehensive curriculum. We are enthusiastically developing as an International Baccalaureate candidate school. Our school motto is very appropriate ‘Growing and Learning Together’.

---

**Thank you Students**

This week we have seen very proud students and teachers share with parents what has been learnt this semester and also make plans for the next level of learning to come. Our Three Way Conferences have been very successful and have truly engaged students in reflective learning. Thank you to our students who make our school such a lively, warm and caring learning environment. I have just witnessed our Year 6 students performing their circus acts for their Prep buddies, a wonderful sight. They are now training up their Prep buddies with circus skills as I write.
Thank you Parents
A special thank you to our parents for your continued support in the classroom program and beyond. There have been many memorable contributions this term. Community relations and PFA have been active in many ways from the Mother’s Day Stall in May and sausage sizzle to the upcoming Market Day on 2 July. Thank you to everyone who is working hard to make this happen. Thank you to all the ‘bakers’ in our community who are dropping a cake down on 1 July for the event. A big thank you to the parents who repaired and refreshed the well at the front of the school. Thank you to School Council who work so hard to ensure they are making the best recommendations and decisions for our whole school. The line marking is looking wonderful and more is still to come when the rain stops! Thank you to parents who are attending the working bee on Saturday morning. Together we are achieving a lot to make Heany Park PS the best we can.

Payments – QKR ap
We have been investigating an electronic payment option that is linked with Tiqbiz. School information e.g. an excursion notice can be sent home via Tiqbiz and then you can use the QKR Ap to make a payment and sign the permission form. School Council approved this in principle last night so we are going to embark on training for the office staff and plan to introduce this option gradually – more to come next term.

Community Talk
We have a Community Talk planned for 14 July at 2:00pm. Dot Deviney is a very experienced, engaging speaker who will talk about school readiness and physical development before school and in the first year at school. Please come along and bring your friends. This information session is appropriate for anybody with children or grandchildren under school age or in their first year at school. The wider community are welcome to attend beyond our school families – spread the word.
Maths Information session
I would also like to promote our Maths Information session which is being held on 20 July at 9:00am –
come along and find out more about how we teach maths.

School Council
The next meetings are:
School Council - 3 August at 7:00pm
Education and Policy - 19 July 7:00pm
Buildings, Grounds & facilities - 27 July 6:15pm
Community Relations and PFA - 27 July 7:00pm
OSHC - 17 August 7:30pm

If any family is still thinking that they would like a traditional parent teacher interview without their child
present, please make a time for early next term, at your convenience. I hope you all have a very safe
holiday and enjoy quality time with your very special children.

If you have any questions or concerns please always know that I am available to speak with you. Do not
hesitate to contact me by phone or make an appointment via the office.

Kind regards
Janet Evison
Principal
This week’s Learner Profile attribute: Risk Takers

Students will have the confidence to try new things. They try to solve problems in a lot of ways. They have the courage to tell people what they think is right.

Activities for Parents

• If your child is feeling uneasy about trying something, encourage them to attempt it and then reflect on both whether they liked the activity and how it felt to try something new.
• Your child might want to set some short-term goals. Consider activities that make him/her nervous. What are realistic goals for the week? Your child might set a goal to:
  o Offer an opinion in class
  o Spend one recess with someone they might not usually play with
  o Order something different from the menu
  o Try an activity they haven’t tried before
• Be careful to explain to your child the difference between being a risk–taker by trying new things and doing dangerous things.

"What is the point of being alive if you don’t at least try to do something remarkable?"

- John Green

We are brave when sharing our thoughts and opinions.

Gold Class Writers - Year 5 & 6 - Renae, Melissa and Hannah
Junior Years: Landscape Drawing

Fred Williams, an Australian artist, is best known for his landscape paintings done in multiple panels. His paintings convey the feeling of a place rather than specific details.

Students in Years 1 and 2 looked at and studied the features of various landscapes. They used chalk, crayons and colour pencils to create their landscapes. They then cut their completed work into four panels and glued them on to coloured paper.

Our school PFA and Community Relations team will be running a Market Day at Heany Park Primary School on Election Day. They have requested for posters to be created for their stalls and students from Year 6KB as well as Kaitlyn from 6CV and Robbi from 6LH had enthusiastically taken on the task. Majority of them had given up their lunch time to complete this community task. What a great way to demonstrate their IB Attitudes of Enthusiasm and Creativity!

EARLY DISMISSAL FRIDAY 24TH JUNE

Friday the 24th June will be the last day of term and students will be dismissed at 2.30pm. Enjoy the break and we will see you back on Monday 11th July.

CANTEEN NEWS

Bellbrook Catering would like to inform you that your first canteen day for term 3 2016 is Thursday 14th July. Bellbrook Catering would like to wish you all a safe and happy holiday break and we look forward to seeing you all in term 3.

TIQBIZ AND ABSENCES

The Tiqbiz app has the ability to notify the school if you child is away, which can save the necessity of sending a written note. You must select whole school, then absences, fill in the details and press submit.

ENROLMENTS 2017

If you have a prep starting in 2017 and haven’t yet enrolled them, please see the office to collect an enrolment pack.
If you know of any families intending to send their children to Heany Park who have not yet enrolled, please encourage them to contact the office to book a tour or collect an enrolment pack.

SICK BAY

If your child is/has been sent home in clothes from sick bay, could we please ask that they are returned? The stock we started with at the start of the year has been seriously depleted.

Thankyou to those families who donated underpants for sick bay. It is much appreciated.

LOST PROPERTY

Can I please ask all parents to label their children’s school uniform, especially their jackets? We have a lot of unnamed lost property at the moment. Could you please also encourage your child to check lost property themselves if anything goes missing? It should also be your first port of call when checking for lost items.
VICTORIAN PREMIERS’ READING CHALLENGE
Just a reminder that if you haven’t signed up for this year’s Victorian Premiers’ Reading Challenge and would like to do so, can you please come and see Michelle this week to get a permission form?

Remember, the Challenge ends on Friday August 26, still plenty of time to get those books read.

To everyone who has already signed up, Good Luck and Happy Reading!

Mrs Werrett and Michelle – Library Technician

How We Teach Children
NUMERACY

Wednesday 20th July from 9 – 10am
Heany Park Primary School
Buckingham Drive, Rowville
Room 8 (Prep Building)

Members of our teaching staff will be presenting an information session to provide an overview of how Numeracy is taught at Heany Park Primary School at all levels.

We will also provide information about how you may support your child at home and answer any questions you may have.

GOING BACK TO WORK?  

STUDYING?  

INCREASING YOUR WORKING HOURS?  

NEED TIME FOR YOURSELF, OR ADDITIONAL SOCIAL INTERACTION FOR YOUR CHILD?  

Then you may need care for your child Before and After school hours. We offer high quality care with qualified staff members.

At the end of last year our OSHC service received an overall rating of “Exceeding” during the assessment process run by the Department of Education and Training.

Our program offers stimulating activities and focuses on children’s health and well-being.

We provide a healthy and nutritious breakfast and afternoon tea. Many parents comment that their child/ren won’t eat certain vegetables, etc. at home but eat them at After School Care. Many parents request our recipes, which we are happy to give to them.

Often in the afternoon children negotiate with their parents to stay longer because they are having so much fun. Many parents now deliberately leave their children longer in the hope their children will be happy to leave and go home.

If you are interested in booking your child/ren into the OSHC service, there are vacancies in both the Before School Care and After School service.

For further enquiries or questions please contact the Co-ordinator, Sue Houghten, on 0418 587 460.

OSHC NEWS!  
Before School Care opens from 7.00 to 8.40a.m. After School Care opens from 3.30 to 6.30p.m  
Fees:- Before School Care $16.00 After School Care $19.00

Gecko Sports Knox!

Fantastic fitness programs for kids aged 5–13!

Science-based foundation
Our programs are designed by sports scientists and expert sports coaches. Children improve gross and fine motor skills, increase strength, speed and stamina, develop a knowledge and love for a range of sports and activities.

The fun factor
Our highly trained and engaging coaches get what makes kids tick. Gecko allows kids to have fun with friends, improve confidence and self esteem, all while improving fitness and sports skills. We strive to make every Gecko experience GREAT!

Small class sizes
Classes contain 5–15 children. This ensures a nonstop program with optimal improvement in all areas.

All classes are held indoors
Rain, hail or shine – our classes are never cancelled in bad weather as we run classes indoors. You can be certain that every class will always go ahead as scheduled.

Our school specialises in
FOCUS, DISCIPLINE, CONFIDENCE & RESPECT

We know school is important. Children need to know how to read, write, add and subtract. We also know that children need focus, discipline, confidence and respect. Our nationally qualified instructors will not only help your child in these areas, but also keep your child healthy through exercise, and 'bully proof' them with our age specific self defence curriculum.

Working With Children Checks

Dear Heany Park Families,

Below is an extract from our School Newsletter explaining the reasons and implications of the Working With Children Check

Parent volunteers are a valuable asset to our school. Their contributions and support to our staff and students over the years has helped make Heany Park Primary School the wonderful school it is today.

There are many opportunities for parents to become involved with the school such as assisting teachers and students with classroom activities and reading, volunteering to assist at excursions, camps or sporting events, running programs such as our monthly book club, student banking and much more.

In order to ensure we provide a safe and secure environment for our children and all members of our school community, including our parent volunteers, School Council has asked that from the beginning of the 2014 school year all parents volunteering at Heany Park Primary School hold a current Working With Children Check. This requirement is also in line with the Department of Education and Early Childhood Development guidelines and the Working With Children Act 2005. As of Semester 2, the school requires all parent volunteers to have a current Working With Children Check.

Because of this requirement only people who have a current Working With Children Check and who have been asked by a member of our teaching staff are able to attend and participate in school excursions. If you do attend an excursion you will not be able to join the Heany Park Primary School group for the educational activities or to interact with the students.

It also means that all volunteers, whether for classroom activities, camps, sporting events etc, require a current Working With Children Check.

To apply for a Working With Children Check simply follow these steps:
1. Go online to www.workingwithchildren.vic.gov.au
2. Click on the Apply for Check button
3. Scroll to the bottom of the page and click on the Start Application button
4. When you have completed all the questions simply print your application and lodge it with a passport size photo at your Local Post Office.

Please ensure that you list Heany Park Primary School as an organisation at which you are volunteering.

There is no cost to apply for a Working With Children Check for parent volunteers. There may however be a cost involved with obtaining a passport size photo. A card will be issued to you once all checks have been passed and this card will be valid for 5 years and can be used when volunteering at sporting clubs, kindergartens and so on, providing the organisation is listed on your application.

Thank you for your support.
