Welcome Back to Term 4

We hope your holiday was enjoyable and filled with family fun. It seems like the year is speeding up, we are already in term 4. We know our students have an engaging and challenging term ahead with lots of new understandings being developed and skills being further honed. We do not have any specific whole school planned parent and teacher interview dates in term 4 but you will get a written report at the end of the year. However I strongly encourage you to keep in touch with your child's teacher and their learning and progress at regular intervals. If you have any concerns or questions about your child's educational growth please make a time to have a parent teacher interview at a mutually convenient time. At times teachers will initiate with you an interview if they have information they wish to share.

Planning for 2017

Please can you let us know asap if your child will not be attending Heany Park PS in 2017. If you have a child beginning Foundation in 2017 please make sure you have enrolled them at the office.

Class Formations for 2017

During term 4 we plan and prepare staffing and grades for 2017. An enormous amount of time is devoted to ensuring students are placed with at least one requested friend and that grades are balanced academically and socially. Later in the term staff will be seeking input from students about their friendships. **If you believe you have additional information that we do not already know and should consider when planning class groupings please write a letter or email addressed to 'The Principal re: Class grouping for 2017'.** Any additional information will be considered...
as part of the process. This communication must be received by **Friday 28 Oct 15 strictly. Grade planning commences at this time.**

**Please remember:**
A new school year is an invitation for growth and development academically, socially and emotionally. Thank you for your care and support, we really appreciate it. Please also see Heany Park Primary School's ‘**Class Formation Policy**’ attached to the newsletter.

---

**A Night to Shine**

Students in Years 3 – 6 performed at Rowville Secondary College on 8 September. This was a feast of live music, enthusiasm and passion. All students certainly did shine along with Sam Menzies, our Performing Arts teacher and also a few parents and helpers. The night was very enjoyable and students’ musical talents were shown including singing and the playing of marimbas, ukuleles, bass and drums.

---

**Performing Arts Concert – Foundation to Year 2 10 November – Thursday 2:30 – 3:30pm**

Please keep this date free for the upcoming concert showcasing the musical talents of our Foundation and Junior School students.

---

**Melbourne Cup Day**

Please note that Tuesday 1 November is a public holiday and children are not required to attend school. We have had a number of phone enquiries asking if Monday 31 October is also a public holiday. The answer to this is – it is not. Children are expected at school on 31 October.
School Council

School Policies approved at our last Council are attached.

The next meetings are:
School Council: 19 October at 7:00pm
Education and Policy: 11 October 7:00pm
Buildings, Grounds & Facilities: 12 Oct 6:15pm
Community Relations and PFA: 12 Oct 7:00pm
OSHC 14 November: 7:30pm
Promotions and Marketing: TBA

Parent Payments for 2017

A new Parent Payment Policy and Hardship Policy was approved at school council in September. This will be available on our school website on Monday. Parent Payment requests for 2017 will be sent out early next week. We are embarking on a new additional option for payments called QKR. School Council were excited about this as a simple, quick and easy way to manage payments. Details of QKR will also be sent to you next week.

If you have any questions or concerns please always know that I am available to speak with you. Do not hesitate to contact me by phone or make an appointment via the office.

Kind regards

Janet Evison
Principal
CLASS FORMATION POLICY

PURPOSE
To provide a clearly defined, efficient and collaborative process for the placement of students into classes, to produce balanced class groups, which maximise opportunities for learning.

OBJECTIVES
• To create class groups which provide each student with the best possible opportunity to learn.
• To form well balanced classes of students that take into account the social, emotional, academic and physical characteristics of each child.
• To ensure that optimum use is made of existing knowledge that teachers, parents and school support personnel have of each student prior to class placement.

GUIDELINES FOR IMPLEMENTATION
• The process of forming classes will commence in October of the previous year, and will follow a prescribed timeline.
• The Principal, in consultation with staff, and after considering student numbers, will determine the number of classes, class sizes and the structure of classes for the following year.
• Expressions of interest will be sought from staff members as to their preferred year level/specialist placement.
• Staff concerns regarding their placement, or structure of classes, must be directed in writing to the Principal.
• Staff members will be required to work collaboratively to draft classes of students. Consideration will be given to gender balance, previous class placement and each student’s ability, behaviour and friendships.
• Individual needs of students and a whole school perspective will be considered.
• Wherever practicable, students with specific needs will be clustered in small groups at their year level.
• Prep to Two class sizes should follow DEECD guidelines, where possible.
• Formation of Prep classes will be overseen by the Prep Year Level Team Leader with guidance from:
  i) Prep Transition Coordinator
  ii) pre-school staff
  iii) school support personnel
  iv) knowledge gained from the transition process
  v) parent requests
• Class compositions will generally be either single year level or dual year levels.
• The process for determining students repeating a year, will follow school guidelines as outlined in Appendix One. Students who are repeating will generally be placed with a different teacher at the same grade level.
• A collaborative process with the school community will be undertaken, however, the allocation of students to various classes, class structures and class compositions are ultimately the responsibility of the Principal.
• The Principal will formally seek input from parents via the newsletter. All parent input must be directed to the Principal in writing. If appropriate, the Principal will inform relevant staff of parent input prior to the formation of classes.
• Once draft classes are completed, the Principal will make necessary final alterations. These alterations will be made in consultation with the Year Level Team Leader.
• Under exceptional circumstances, the Principal may reorganise classes throughout the year.
• Once class groups have been published, parent concerns arising from student placements will initially be discussed with the current Year Level Team Leader. Continuing concerns will be directed to the Principal Team for further consideration.
• Staff members will not disclose the composition of proposed classes prior to any formal announcement. In the case of identified students, prior disclosure of class placement may occur as part of that student’s specific transition process.
• Details relating to the school’s organisation, placement of students, and the roles of teachers will be released to parents during the final weeks of Term Four.
• Prep students will be advised by mail of their class placement prior to Orientation Day, which is held in December.

EVALUATION
Evaluation of this policy will be carried out by the Leadership Team as part of the Policy Committee’s cyclic review process, in three years time, or beforehand, if a significant issue arises.

NoahCode at HPPS

Rodney and Thomas from NoahCode came to our school on Wednesday 7th and 14th of September at lunch time for a come and try session of NoahCode which is about learning to do HTML and CSS code. Students will experience learning to code when in secondary school as it is part of the Digital Technologies curriculum. Many students, 52 in total from Years 3-6 came to try coding with Rodney and Thomas who work at Wesley College. In Term 4, there will be a course for our students to join in on one night after school per week. Here are some of the Year 3 –6 students having a try and really enjoying it.

Middle Years: CD Art

With knowledge gained from their inquiry into Earth’s resources and the impact of people’s choices on the environment, students in the middle years created designs on recycled CDs with messages on how to look after our planet. The students used a variety of media such as enamel, Vipond and acrylic paints as well as Sharpies and permanent markers for their creative work.

GOING BACK TO WORK?  

STUDYING?  

INCREASING YOUR WORKING HOURS?  

NEED TIME FOR YOURSELF, OR ADDITIONAL SOCIAL INTERACTION FOR YOUR CHILD?  

Then you may need care for your child Before and After school hours. We offer high quality care with qualified staff members.

At the end of last year our OSHC service received an overall rating of “Exceeding” during the assessment process run by the Department of Education and Training.

Our program offers stimulating activities and focuses on children’s health and well-being.

We provide a healthy and nutritious breakfast and afternoon tea. Many parents comment that their child/ren won’t eat certain vegetables, etc. at home but eat them at After School Care. Many parents request our recipes, which we are happy to give to them.

Often in the afternoon children negotiate with their parents to stay longer because they are having so much fun. Many parents now deliberately leave their children longer in the hope their children will be happy to leave and go home.

If you are interested in booking your child/ren into the OSHC service, there are vacancies in both the Before School Care and After School service.

For further enquiries or questions please contact the Co-ordinator, Sue Houghten, on 0418 587 460.

OSHCB NEWS!  
Before School Care opens from 7.00 to 8.40a.m. After School Care opens from 3.30 to 6.30p.m  
Fees:- Before School Care $16.00 After School Care $19.00  
Casual Care is also available
2017 OSHC ENROLMENTS

Dear Parents,

Enrolment Forms for Out of School Hours Care 2017 will be available from Wednesday, 5th October.

Everybody who requires care for their child in 2017 will need to enrol their child. This includes those children who are enrolled this year, as they are required to re-enrol.

It is preferable that you hand your completed forms in during Out of School Hours Care program hours (7am to 9am or 3.30pm to 6.30pm) directly to an Out of School Hours Care educator. If this is not possible you may hand them in at the School Office.

New families into the program will be offered the opportunity to meet with the Out of School Hours Care Co-ordinator and to discuss the individual needs of your child.

Enrolment forms are available from the Out of School Hours Care program or from the School Office.

For administrative reasons we ask that you return your form by Friday, 20th November.

Confirmation will be sent to you, after 20th November, and you will be required to make a deposit of $25.00 per family. If you do not make this payment you will have relinquished your position. The $25.00 deposit is non-refundable but will be deducted from your fees in 2017.

We would like to take this opportunity to thank you for enrolling in our Out of School Hours Care program and look forward to caring for your child in 2017.

With regards,

Sue Houghten

Nominated Supervisor,
OSHC Co-ordinator)

Working With Children Checks

Dear Heany Park Families,

Below is an extract from our School Newsletter explaining the reasons and implications of the Working With Children Check

Parent volunteers are a valuable asset to our school. Their contributions and support to our staff and students over the years has helped make Heany Park Primary School the wonderful school it is today.

There are many opportunities for parents to become involved with the school such as assisting teachers and students with classroom activities and reading, volunteering to assist at excursions, camps or sporting events, running programs such as our monthly book club, student banking and much more.

In order to ensure we provide a safe and secure environment for our children and all members of our school community, including our parent volunteers, School Council has asked that from the beginning of the 2014 school year all parents volunteering at Heany Park Primary School hold a current Working With Children Check. This requirement is also in line with the Department of Education and Early Childhood Development guidelines and the Working With Children Act 2005. As of Semester 2, the school requires all parent volunteers to have a current Working With Children Check.

Because of this requirement only people who have a current Working With Children Check and who have been asked by a member of our teaching staff are able to attend and participate in school excursions. If you do attend an excursion you will not be able to join the Heany Park Primary School group for the educational activities or to interact with the students.

It also means that all volunteers, whether for classroom activities, camps, sporting events etc, require a current Working With Children Check.

To apply for a Working With Children Check simply follow these steps:
1. Go online to www.workingwithchildren.vic.gov.au
2. Click on the Apply for Check button
3. Scroll to the bottom of the page and click on the Start Application button
4. When you have completed all the questions simply print your application and lodge it with a passport size photo at your Local Post Office.

Please ensure that you list Heany Park Primary School as an organisation at which you are volunteering.

There is no cost to apply for a Working With Children Check for parent volunteers. There may however be a cost involved with obtaining a passport size photo. A card will be issued to you once all checks have been passed and this card will be valid for 5 years and can be used when volunteering at sporting clubs, kindergartens and so on, providing the organisation is listed on your application.

Thank you for your support.
