Professional Learning for Staff

Leadership Staff for 2017 engaged in a professional learning day on Friday 11 November. This was day 3 of ‘Making Learning Visible’. We thank the Rosairo family for organising this learning at no cost to the school, this has been a very generous donation and is much appreciated. The work is underpinned by research at Melbourne University by John Hattie. Our junior and foundation staff have been involved in contributing to further research in this area and Robyn Davis has been selected to be part of further work in this area and will be filmed teaching next week.

On 18 November the leadership staff for 2017 will be participating in another day of professional learning around assessment and using data to improve student learning. We will be hosting this day at Heany Park as part of the work we are doing with DET involving 5 schools in the Knox network. This professional learning does involve staff being out of their classrooms but thoroughly planned programs are prepared for the Casual Relief Teacher to execute. Building leadership capacity in the school is important for the students to have the best opportunities. Thank you for your support in this.

Student Learning

On 10 Nov students from Foundation to Year 2 show cased their Performing Arts work to parents and friends. We have continued to receive very appreciative emails from families who attended. Thank you for these.

DIARY DATES FOR 2017

Staffing for 2017

We have three staff who are leaving Heany Park at the end of this year and will be sorely missed. We thank them for their wonderful contributions to education and wish them all the very best in their new pathways. Ms Bec Laver has been successful in gaining a position closer to home. Ms Kylie Smith has chosen to take up a new career pathway and Mr Sam Menzies is moving interstate next year.

New staff at Heany Park in 2017

We are welcoming three new staff members for 2017: Ms Alicia Hendy, Mr Marcus Lo Ricco have been recruited as classroom teachers and Ms Edwina So in Performing Arts. We are very excited to have these new staff members and are looking forward to working with them.

Planning for 2017

Please can you let us know asap if your child will not be attending Heany Park PS in 2017. If you have a child beginning Foundation in 2017 please make sure you have enrolled them at the office.

Class Formations for 2017

This term we have planned and prepared staffing and grades for 2017. An enormous amount of time has been devoted to ensuring students are placed with at least one requested friend and that grades are balanced academically and socially. Classroom grades have now been formed for 2017. The school community has been informed about this process and has had the opportunity to write a letter with any requests. The deadline for this was 31 October. Please accept the school’s expertise and process to manage the placement of students to maximise learning. Further grade swaps after the process contribute to unbalanced grades and disrupted social groupings.

Please remember: A new school year is an invitation for growth and development academically, socially and emotionally.
Thank you for your care and support, we really appreciate it.

School Council:

School Policies approved at our last Council are available for viewing on our school website: Child Protection Reporting Policy
The last School Council meetings of the year are:
School Council: 7 December at 7:00pm
Community Relations and PFA: 30 Nov 7:00pm

**Working Bee**

School Council are organising a working bee for 18 November at 2:30pm -4:30pm. Please try and keep this date free and lend a hand.

![QKR logo](image)

**Electronic Parent Payments**

This is a new additional option for payments called QKR. This as a simple, quick and easy way to manage payments and also give permission for events by signing on your mobile device. This system is up and running now for ease and convenience. Log in and register, you will need your bank details on hand.

**Bendigo Bank**

We thank Bendigo bank for their grant of $395 which has paid for the restoration of the friendship flagpole. This is behind outside the art room, children can meet there if they would like to make a new friend.

If you have any questions or concerns please always know that I am available to speak with you. Do not hesitate to contact me by phone or make an appointment via the office.

Kind regards

UPDATE ALERTS – home computers, tablets and iPads

Currently students have access to Reading Eggs and Mathletics both at home at and at school. Some families are commenting that at home that they are experiencing some issues. Here are some tips to help run these applications more efficiently:

• Have the current Adobe Flash updates on your device (excluding iPads, iPhones) by going on the Adobe site and choosing your operating system and browser at https://get.adobe.com/flashplayer/otherversions/
• Update the Reading Eggs and Mathletics apps on your devices (iPads, iPhones, tablets) by going to the Apps Store and clicking the updates icon in the bottom right of the screen (usually numbers appear here when the app needs updating or a glitch corrected)
• Or use the web site version rather than the device app at:
  http://au.mathletics.com/signin/ - for the Mathletics log in area for students
  https://app.readingeggs.com/login - for Reading Eggs log in area for students

If you are experiencing any other difficulties when using the app or device at home please contact the company directly at:

Mathletics: Email: customerservice@3plearning.com.au or Phone: 1300850331

Reading Eggs: Phone: 02 8585 4020 Email: http://readingeggs.com.au/contact-us/#parent-form

If your child has lost their username and password for any of our online services, including Reading Eggs, Mathletics or the Heany Park Student Cloud please email me at my address below and I will forward it to you immediately.

Linen Roster for 2017

Each year the school office asks for help with the Linen Roster for the following year. The job entails taking home the sheets and pillowcases from sick bay on a Friday afternoon, remaking the beds and returning them washed the following week. If you can assist with this job for 2017, please contact the office and put your name on the roster. The more people we get, the less times during the year you are rostered on to help.

Thanks in advance and thankyou to those parents who helped with the job this year. It is much appreciated.

Library Closure

It’s coming up to that time of year again.

The Library will be closing for 2016 on Friday December 9th. Can all books please be returned to the Library before Friday December 16th 2016?

Michelle - Library
"Whoever wants to know something about me - as an artist which alone is significant - they should look attentively at my pictures and there seek to recognize what I am and what I want."

~ Gustav Klimt~

Klimt was one of the most famous exponent of Art Nouveau, an art form that is characterized by floral and other nature-inspired motifs as well as intricate linear designs and curves. The bright colours, overall decorative background patterns and clothing of Klimt’s sitters are often similar enough that they appear integrated, like the ‘Portrait of Eugenia Primavesi’ on the left. Students from Middle Years had a go at creating their art using this style of Klimt’s.

GOING BACK TO WORK?

STUDYING?

INCREASING YOUR WORKING HOURS?

NEED TIME FOR YOURSELF, OR ADDITIONAL SOCIAL INTERACTION FOR YOUR CHILD?

Then you may need care for your child Before and After school hours. We offer high quality care with qualified staff members.

At the end of last year our OSHC service received an overall rating of “Exceeding” during the assessment process run by the Department of Education and Training.

Our program offers stimulating activities and focuses on children’s health and well-being.

We provide a healthy and nutritious breakfast and afternoon tea. Many parents comment that their child/ren won't eat certain vegetables, etc. at home but eat them at After School Care. Many parents request our recipes, which we are happy to give to them.

Often in the afternoon children negotiate with their parents to stay longer because they are having so much fun. Many parents now deliberately leave their children longer in the hope their children will be happy to leave and go home.

If you are interested in booking your child/ren into the OSHC service, there are vacancies in both the Before School Care and After School service.

For further enquiries or questions please contact the Co-ordinator, Sue Houghten, on 0418 587 460.
Dear Parents,

Enrolment Forms for Out of School Hours Care 2017 will be available from Wednesday, 5th October.

Everybody who requires care for their child in 2017 will need to enrol their child. This includes those children who are enrolled this year, as they are required to re-enrol.

It is preferable that you hand your completed forms in during Out of School Hours Care program hours (7am to 9am or 3.30pm to 6.30pm) directly to an Out of School Hours Care educator. If this is not possible you may hand them in at the School Office.

New families into the program will be offered the opportunity to meet with the Out of School Hours Care Co-ordinator and to discuss the individual needs of your child.

Enrolment forms are available from the Out of School Hours Care program or from the School Office.

For administrative reasons we ask that you return your form by Friday, 20th November.

Confirmation will be sent to you, after 20th November, and you will be required to make a deposit of $25.00 per family. If you do not make this payment you will have relinquished your position. The $25.00 deposit is non-refundable but will be deducted from your fees in 2017.

We would like to take this opportunity to thank you for enrolling in our Out of School Hours Care program and look forward to caring for your child in 2017.

With regards,

Sue Houghten
(Educational Leader,
Nominated Supervisor,
OSHC Co-ordinator)

Working With Children Checks

Dear Heany Park Families,

Below is an extract from our School Newsletter explaining the reasons and implications of the Working With Children Check

Parent volunteers are a valuable asset to our school. Their contributions and support to our staff and students over the years has helped make Heany Park Primary School the wonderful school it is today.

There are many opportunities for parents to become involved with the school such as assisting teachers and students with classroom activities and reading, volunteering to assist at excursions, camps or sporting events, running programs such as our monthly book club, student banking and much more.

In order to ensure we provide a safe and secure environment for our children and all members of our school community, including our parent volunteers, School Council has asked that from the beginning of the 2014 school year all parents volunteering at Heany Park Primary School hold a current Working With Children Check. This requirement is also in line with the Department of Education and Early Childhood Development guidelines and the Working With Children Act 2005. As of Semester 2, the school requires all parent volunteers to have a current Working With Children Check.

Because of this requirement only people who have a current Working With Children Check and who have been asked by a member of our teaching staff are able to attend and participate in school excursions. If you do attend an excursion you will not be able to join the Heany Park Primary School group for the educational activities or to interact with the students.

It also means that all volunteers, whether for classroom activities, camps, sporting events etc, require a current Working With Children Check.

To apply for a Working With Children Check simply follow these steps:
1. Go online to www.workingwithchildren.vic.gov.au
2. Click on the Apply for Check button
3. Scroll to the bottom of the page and click on the Start Application button
4. When you have completed all the questions simply print your application and lodge it with a passport size photo at your Local Post Office.

Please ensure that you list Heany Park Primary School as an organisation at which you are volunteering.

There is no cost to apply for a Working With Children Check for parent volunteers. There may however be a cost involved with obtaining a passport size photo. A card will be issued to you once all checks have been passed and this card will be valid for 5 years and can be used when volunteering at sporting clubs, kindergartens and so on, providing the organisation is listed on your application.

Thank you for your support.
