Foundation Family Picnic to celebrate our first term working together. We would like to invite you to join us on Thursday 3 March and bring along a picnic tea for your family (no alcohol please). We will have the picnic at the front of the school near the playground, as this provides easy access to the toilets and play area. There are plenty of grassy areas to spread your rugs and chairs out. The evening will begin at 4.30pm with our classrooms open for you to visit and see some of the work your child has been doing. We will then hold the picnic from 5.30pm to approximately 6.15pm. This will be followed by an Information Session on:

How we teach reading and writing in Foundation.

All parents and carers of our Foundation students and also our whole school community and prospective parents in future years, are invited to attend this informative session on Thursday 3 March at 6:30pm in the library. Please email or phone to book 9764 5533 or heanyparkps@edumail.vic.gov.au if you are not a Foundation family this year. This will ensure we cater for seating. Foundation families book in through their classroom teacher.
School Council
It is wonderful that this year we have seven candidates nominated for School Council. The ballot papers have been issued and votes must be received by 4pm on Monday 29 Feb 16. You may present at the office and vote or complete your voting paper and send it in the envelopes provided. Heany Park P.S. is competing with 20 other schools in the Knox area in the 2016 Knox Banner Competition. We would like to encourage you to visit the Knox Festival on March 5th and 6th to see and vote for our banner. If there are enough of votes from everyone in the community, then we may stand a chance to win the ‘People’s
Choice Award’ and possibly one of the top 3 prizes. Our 10 students from Foundation to Year 6 had spent a lot of time to complete the banner, so come on and let’s give them our full support!!!

EVERY DAY COUNTS

At our Education and Policy Committee meeting this week, we reviewed our school’s Student Attendance Policy. This generated interesting discussion around the cumulative impact on student learning outcomes, that arise from arriving late to school and / or being absent from school.

Below is an excerpt from the ‘Every Day Counts’ article located on the Victorian Education Department’s site:

**Why it’s important**

“We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes.

*Each day missed is associated with progressively lower achievement in numeracy, writing and reading.*

**Getting In Early**

*Attendance patterns are established early – a child regularly missing days in kindergarten or in the early years of school will often continue to miss classes in the later years, and receive lower test scores than their classmates. It’s vital that students go to school every day – even in the early years of primary school.*

At Heany Park Primary School we aim to develop in students routines that will best support their learning. Being at school on time enables students to organise their belongings, return notices or work that may be due, so that they are ready and focused to start the day’s learning with their teacher and classmates.

Did you know that your child’s best learning time is the start of the day – that’s when every minute counts the most!

Being just a few minutes late on a daily basis can add up to a significant amount, as this timeline shows:

- 10 minutes per day adds up to 50 minutes per week adds up to nearly 1.5 weeks per year

over 13 years of schooling, this adds up nearly a half a year missed!

(Assistant Principal: Student Wellbeing Co-ordinator)
This week's Learner Profile attitude is; Open Minded

Students will understand and appreciate their own culture and personal histories. They are open to the perspectives, values and traditions of other individuals and communities. They are accustomed to seeking and evaluating a range of points of view and are willing to grow from the experience.

Activities for Parents:

- Encourage your child to try new things – new foods, new games and new activities.
- Expose your child to different festivals, celebrations and traditions and be sure to present them in a non-judgmental way.
- Encourage your child really listen to others when they speak.
Learning another language is vital to our global future

Written by Heather Brown Languages (Indonesian Specialist Teacher)

Languages give you the world. Many people involved in education know that learning a language is one of the key capabilities that young people will need in this globalised world.

When a baby is born they are exposed to, interact with, and learn the language of their environment. Children who learn a second, third or fourth etc., language think in a different way to monolingual children.

Learning a second language aids in the learning of how the first language operates through the structure and noticing the similarities and differences between the first and second languages.

Learning to communicate with people from other countries is helping us to become a more integral part of the globalised communities in which we are living. Parents have come to me in the past concerned about the balance of thinking, speaking and listening, reading and writing in their child’s first and second language. The parents felt that their children should only use English. My suggestion is to allow children to learn everything culturally and linguistically about their first language and that will assist them with understanding the similarities and differences in the way English is written and spoken compared to their first language.

Learning another language also assists us with connecting to the many people migrating to Australia. Our knowledge and understanding of the different cultures and the different ways in which they think and achieve their aims, assists everyone to work together in the community.

If we continue to use English and say that everything is handled internationally through English, we may not fully understand how to operate within other cultures. The importance of understanding some of the language, the society and the culture will have an advantage over those who do not. In fact you are entering another’s world and opening up your mind and the way you think and interact by learning another language.

PERSONAL ACCIDENT INSURANCE
Parents are reminded that the Department of Education and Early Childhood Development (DEECD), does not provide personal accident insurance for students.
Parents and guardians are responsible for paying the cost of medical treatment of injured students, including any transport/ambulance costs. Reasonable low cost accident insurance policies are available from commercial insurers. To find a suitable personal accident insurer, contact your insurance broker or search on line.

PERSONAL PROPERTY
Students should be discouraged from bringing any unnecessary or particularly valuable items to school as the Department of Education and Early Childhood Development does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property. Personal property includes such items as mobile phones, calculators, toys, sporting equipment and cars parked on school premises.

STAFF CAR PARK
Please do not enter or park in the Staff Car Park as this is reserved for staff parking only and most importantly, children's safety may be put at risk as they are not expecting moving cars during school hours.

PLEASE DO NOT WALK THROUGH THE STAFF CAR PARK

OFFICE REQUIRES VOLUNTEERS FOR SICK BAY LINEN ROSTER

Every Friday we change our linen. We usually have a roster so that each person only ends up on duty a couple of times per term. You would be required to come in at 3.30pm on a Friday, strip the sheets and pillow cases and remake the two beds. We ask that you take the linen home and wash them and return them to sick bay the following week. If you are able to assist, please see the office staff or contact them on 9764 5533. Any help will be much appreciated.

WORKING WITH CHILDRENS CHECK

School Council has requested that all parents volunteering at Heany Park hold a current Working with Childrens Check (WWC). The volunteer checks are free to parents. They can be applied for at the following online site
Further details on the application process are provided at the end of the newsletter.

Once you have lodged your application, please bring a copy of the receipt and documentation to the School Office for our records.

CONTACT DETAILS

It is important that family contact details for students are up to date. If any of your contact details particularly phone numbers and postal address change, could you please ensure the updated details are provided to the school office so that we can contact you promptly if necessary? If possible, could you please provide an email address to the school if you have not already done so?

UPDATING TIQBiz SETTINGS

Just a reminder that with the start of the new school year, parents will need to update their Tiqbiz groups/settings. You will need to make sure that you now receive notifications from your child’s new year level, remove yourself from their previous year level and make sure that you receive the whole school notifications.

For the new Foundation parents, you will need to remove yourself from the future preps list, add yourself to the preps list and also add yourself to the whole school notifications.

If you have any queries, please see the office staff

The Camps, Sports and Excursion Fund (CSEF) has been introduced to replace the EMR fund previously available to recipients of a health or concession card. If you are eligible and have not yet returned your forms, please send them to the school office as soon as possible, along with a copy of your valid concession card. Details about the fund and the application form are available below.
CSEF ELIGIBILITY

Below is the criteria used to determine a student's eligibility for the Camps, Sports and Excursions Fund (CSEF).

Criteria 1 – Eligibility
To be eligible* for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

• on the first day of Term one, or;
• on the first day of Term two;
  a) Be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be a holder of
     Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession
     Card (PCC) holder, or
  b) Be a temporary foster parent, and;
  c) Submit an application to the school by the due date.

* A special consideration eligibility category also exists. For more information, see: www.education.vic.gov.au/csef

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by
Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

Criteria 2 - Be of school age and attend school in Victoria
School is compulsory for all Victorian children aged between six and 17 years of age inclusive.

For the purposes of CSEF, students may be eligible for assistance if they attend a Victorian registered primary or
secondary school. Typically, these students are aged between five and 18 years inclusive.

CSEF is not payable to students attending pre-school, kindergarten, home schooled, or TAFE.

Eligibility Date
For concession card holders CSEF eligibility will be subject to the parent/legal guardian’s concession card being
successfully validated with Centrelink on the first day of either term one (27 January 2016) or term two (11 April 2016).

Closing Date
Parents are encouraged to lodge the application form by 29 February 2016, so that payments can be made from March
2016. However schools can accept parent applications up until 03 June 2016.

PAYMENT AMOUNTS
CSEF payment amount
The CSEF is an annual payment to the school to be used towards camps, sports and/or excursion expenses for the
benefit of the eligible student.

• Primary school student rate: $125 per year.
• Secondary school student rate: $225 per year.

The CSEF is paid directly to your child's school and will be allocated by the school towards camps, sports and/or
excursion costs for your child.

For ungraded students, the rate payable is determined by the student's date of birth. For more information, see:

Year 7 government school students who are CSEF recipients are also eligible for a uniform voucher. Secondary
schools are required to make applications on behalf of parents so please register your interest at the school.

Visual Arts News
Last year, we put in an expression of interest in the 2016 Knox Banner Competition and here is the result of two weeks of intensive artwork! The participating students took turns to give up their snack, lunch and sports times to create the banner with ‘Hidden Treasures in Knox’ as the theme. Parents of the students had kindly taken time off during the school holiday, to take their children around Knox area to see, experience and take photographs of interesting things. We had a lively discussion on what constitute as ‘treasures’ and these include people like the volunteers, multicultural community and their respective festivals and shopkeepers. It also includes places like the Knox Library and parks as well as centres like the Art, Sports and Community Centre.

We are one of 20 schools participating in this event and the banner will be put on display at the 2016 Knox Festival on March 5th and 6th. The top three will receive prizes. A fourth prize - the ‘People’s Choice Award’ - will be given to the banner with the most votes. So, valued members of our school community, we hope you will visit the Knox Festival and vote for our banner! Here are some pictures of the children hard at work while having great fun too!

GOING BACK TO WORK?

STUDYING?

INCREASING YOUR WORKING HOURS?

NEED TIME FOR YOURSELF, OR ADDITIONAL SOCIAL INTERACTION FOR YOUR CHILD?

Then you may need care for your child Before and After school hours. We offer high quality care with qualified staff members.

At the end of last year our OSHC service received an overall rating of “Exceeding” during the assessment process run by the Department of Education and Training.

Our program offers stimulating activities and focuses on children’s health and well-being.

We provide a healthy and nutritious breakfast and afternoon tea. Many parents comment that their child/ren won’t eat certain vegetables, etc. at home but eat them at After School Care. Many parents request our recipes, which we are happy to give to them.

Often in the afternoon children negotiate with their parents to stay longer because they are having so much fun. Many parents now deliberately leave their children longer in the hope their children will be happy to leave and go home.

If you are interested in booking your child/ren into the OSHC service, there are vacancies in both the Before School Care and After School service.

For further enquiries or questions please contact the Co-ordinator, Sue Houghten, on 0418 587 460.

Knox Festival 2016 Treasure Hunt

In a first of its kind for Knox Festival and complimenting this year’s Hidden Treasures theme, comes an idea for the very youngest in our community – a giant Treasure Hunt.

Every Pre-school, Primary School, Council Childcare Centres and Community House in Knox is invited to participate in the largest treasure hunt the municipality has ever seen.

The Treasure hunt will be hosted across the Festival site and will be open to participants to complete at their leisure throughout both days.

Treasure Hunt clue sheets/entry forms can be collected at the festival site: at the gates or in the beach area and will need to be completed and returned to the treasure chest in the beach area before exiting the site.

Post festival all submissions will be assessed and eligible participants will go into the draw for a prize. Each entry will be asked to also nominate a school/pre-school/ Council Childcare Centre or Community House, the most nominations for 1 of these groups will also be eligible for a prize.

Any questions please contact the Karena Johnson, Knox City Council’s Festival & Events Administration Officer on 03 9298 8310 or at Karena.johnson@knox.vic.gov.au

Working With Children Checks

Dear Heany Park Families,

Below is an extract from our School Newsletter explaining the reasons and implications of the Working With Children Check

Parent volunteers are a valuable asset to our school. Their contributions and support to our staff and students over the years has helped make Heany Park Primary School the wonderful school it is today.

There are many opportunities for parents to become involved with the school such as assisting teachers and students with classroom activities and reading, volunteering to assist at excursions, camps or sporting events, running programs such as our monthly book club, student banking and much more.

In order to ensure we provide a safe and secure environment for our children and all members of our school community, including our parent volunteers, School Council has asked that from the beginning of the 2014 school year all parents volunteering at Heany Park Primary School hold a current Working With Children Check. This requirement is also in line with the Department of Education and Early Childhood Development guidelines and the Working With Children Act 2005. As of Semester 2, the school requires all parent volunteers to have a current Working With Children Check.

Because of this requirement only people who have a current Working With Children Check and who have been asked by a member of our teaching staff are able to attend and participate in school excursions. If you do attend an excursion you will not be able to join the Heany Park Primary School group for the educational activities or to interact with the students.

It also means that all volunteers, whether for classroom activities, camps, sporting events etc, require a current Working With Children Check.

To apply for a Working With Children Check simply follow these steps:
1. Go online to www.workingwithchildren.vic.gov.au
2. Click on the Apply for Check button
3. Scroll to the bottom of the page and click on the Start Application button
4. When you have completed all the questions simply print your application and lodge it with a passport size photo at your Local Post Office.

Please ensure that you list Heany Park Primary School as an organisation at which you are volunteering.

There is no cost to apply for a Working With Children Check for parent volunteers. There may however be a cost involved with obtaining a passport size photo. A card will be issued to you once all checks have been passed and this card will be valid for 5 years and can be used when volunteering at sporting clubs, kindergartens and so on, providing the organisation is listed on your application.

Thank you for your support.
