Staffing for 2017

We have two more staff who are leaving Heany Park at the end of this year and will also be sorely missed. We thank them for their wonderful contributions to education and wish them all the very best in their new pathways. Mrs Janine Ferguson is retiring from teaching this year and making the big sea change that has long been planned. We wish her a healthy and happy retirement with lots of new grandchildren and world travels. We are also farewelling Ms Kirsty Bone who has been successful in gaining a position in another International Baccalaureate World School. We wish her all the very best and know we will still be in close contact in the Victorian Network of IB PYP schools.

State Transition

On Tuesday 6 December our Year 6 students will attend their chosen Secondary College and our new Foundation students for 2017 will attend orientation here with us. This year we have three grades of Foundation students, all our new families have met with the three Foundation teachers in a ‘Get to Know You Interview’. We look forward to welcoming these families again to our school on 6 Dec 9:15am – 10:45am. During this time students will spend time in their 2017 class grouping with their actual teacher. For parents at this time, PFA are organising morning tea and we also have a very informative speaker who will talk about school readiness and child...
Class Formations for 2017

New classes have been formed for 2017. Students are placed with at least one requested friend and grades are balanced academically and socially. Next year we will be again having a multi-age class in the middle school and two multi-age classes in the junior school.

Please remember: A new school year is an invitation for growth and development academically, socially and emotionally. Thank you for your care and support, we really appreciate it.

Working Bee

Thank you to the families who attended the working bee on 18 November, it was much appreciated 2:30pm -4:30pm.

School Council

The last meeting for the year will be on 7 December. Staff have spent time reflecting on the achievement of our school in relation to student learning, analysing the parent, staff and student surveys. We have now developed our draft Annual Implementation Plan detailing our goals for 2017. This work will be presented to Council in the form of the Annual Improvement Plan.

Electronic Parent Payments

This is a new additional option for payments called QKR. This as a simple, quick and easy way to manage payments and also give permission for events by signing on your mobile device. This system is up and running now for ease and convenience. Log in and register, you will need your bank details on hand.

End of Year Dismissal

The last school day for 2016 will be Tuesday 20th December. Students will be dismissed at 1.30pm. There will be an assembly in the morning commencing at 9.00am.
Parent Payments for 2017

Many people have already collected their book bags for 2017, thank you so much to the parents who are paying the essential items payment and also the optional extras. This enables us to continue with our up to date computers and programs. In the past most families have made both payments, this year we have noticed a significant increase in the number of families choosing to pay just the essential items. If you are able to make the full payment it would be really appreciated, as it has been in the past.

If you have any questions or concerns please always know that I am available to speak with you. Do not hesitate to contact me by phone or make an appointment via the office.

Kind regards

Janet Evison

Currently students have access to Reading Eggs and Mathletics both at home and at school. Some families are commenting that at home that they are experiencing some issues. Here are some tips to help run these applications more efficiently:

- Have the current **Adobe Flash** updates on your device (excluding iPads, iPhones) by going on the Adobe site and choosing your operating system and browser at https://get.adobe.com/flashplayer/otherversions/
- Update the **Reading Eggs** and **Mathletics** apps on your devices (iPads, iPhones, tablets) by going to the Apps Store and clicking the updates icon in the bottom right of the screen (usually numbers appear here when the app needs updating or a glitch corrected)
- Or use the web site version rather than the device app at:
  - http://au.mathletics.com/signin/ - for the **Mathletics** log in area for students
  - https://app.readingeggs.com/login - for **Reading Eggs** log in area for students

If you are experiencing any other difficulties when using the app or device at home please contact the company directly at:

**Mathletics:** Email: customerservice@3plearning.com.au or Phone: 1300850331

**Reading Eggs:** Phone: 02 8585 4020 Email: http://readingeggs.com.au/contact-us/#parent-form

If your child has lost their username and password for any of our online services, including Reading Eggs, Mathletics or the Heany Park Student Cloud please email me at my address below and I will forward it to you immediately.

Linen Roster for 2017

Each year the school office asks for help with the Linen Roster for the following year. The job entails taking home the sheets and pillowcases from sick bay on a Friday afternoon, remaking the beds and returning them washed the following week. If you can assist with this job for 2017, please contact the office and put your name on the roster. The more people we get, the less times during the year you are rostered on to help.

Thanks in advance and thankyou to those parents who helped with the job this year. It is much appreciated.

Library Closure

Just a reminder that the Library will be closing for 2016 on Friday December 9th.

Can all books please be returned to the Library by then?

If anyone thinks they have lost their books can they please come and see Michelle in the Library on any Monday, Wednesday and Thursday?

Many thanks,

Michelle - Library
Students from junior years looked at and studied the symbols used by aboriginal people to communicate or tell stories. They learnt about how for thousands of years, these symbols were used to convey their cultural stories from one generation to another. They then made up a few stories using these symbols. The best story was chosen and transferred on to pebbles by using paint and matchsticks.

~ Sharon Lai, Visual Arts Teacher~

Note: Background picture painted by Monique, 1/2D and her story is, “One night, a woman went on a short journey to the forest.

Xavier, 1BF
A man went into a forest at night.

Hannah, 1/2D
A group of women made a short journey on a starry night.

Hannah, 1CP
One rainy day, a group of women went hunting for honey ants, kangaroos and emus.

Isabel, 2PE
Two men with shields went into a forest to bring kangaroos back to their campsite.

Amalia, 2SM
An emu and a kangaroo went over mountains to reach a waterhole.
**SENIOR YEARS: MANDALA**

The Sanskrit word ‘mandala’ means ‘circle’. To many cultures, the mandala represents their connection to the world. In the 12th century, a Christian nun created beautiful mandalas to express her visions and beliefs while Navajo Indians create sand mandalas to show that life is not permanent. Senior year students were told about how Tibetan monks use the mandalas for meditation thus allowing their busy minds to take a break while the creative minds run free. They were shown a colour chart which explained their symbolic meanings e.g. yellow represents wisdom and happiness while blue represents emotional healing and inner peace. Before the start of the lesson, students were reminded to focus hard on what they were drawing and their meaning. They were so engrossed in the activity that the lesson was the quietest art lesson I have ever had!

GOING BACK TO WORK?  
STUDYING?  
INCREASING YOUR WORKING HOURS?

NEED TIME FOR YOURSELF, OR ADDITIONAL SOCIAL INTERACTION FOR YOUR CHILD?

Then you may need care for your child Before and After school hours. We offer high quality care with qualified staff members.

At the end of last year our OSHC service received an overall rating of “Exceeding” during the assessment process run by the Department of Education and Training.

Our program offers stimulating activities and focuses on children’s health and well-being.

We provide a healthy and nutritious breakfast and afternoon tea. Many parents comment that their child/ren won't eat certain vegetables, etc. at home but eat them at After School Care. Many parents request our recipes, which we are happy to give to them.

Often in the afternoon children negotiate with their parents to stay longer because they are having so much fun. Many parents now deliberately leave their children longer in the hope their children will be happy to leave and go home.

If you are interested in booking your child/ren into the OSHC service, there are vacancies in both the Before School Care and After School service.

For further enquiries or questions please contact the Co-ordinator, Sue Houghten, on 0418 587 460.
Dear Parents,

Enrolment Forms for Out of School Hours Care 2017 will be available from Wednesday, 5th October.

Everybody who requires care for their child in 2017 will need to enrol their child. This includes those children who are enrolled this year, as they are required to re-enrol.

It is preferable that you hand your completed forms in during Out of School Hours Care program hours (7am to 9am or 3.30pm to 6.30pm) directly to an Out of School Hours Care educator. If this is not possible you may hand them in at the School Office.

New families into the program will be offered the opportunity to meet with the Out of School Hours Care Co-ordinator and to discuss the individual needs of your child.

Enrolment forms are available from the Out of School Hours Care program or from the School Office.

For administrative reasons we ask that you return your form by Friday, 20th November.

Confirmation will be sent to you, after 20th November, and you will be required to make a deposit of $25.00 per family. If you do not make this payment you will have relinquished your position. The $25.00 deposit is non-refundable but will be deducted from your fees in 2017.

We would like to take this opportunity to thank you for enrolling in our Out of School Hours Care program and look forward to caring for your child in 2017.

With regards,

Sue Houghten

Working With Children Checks

Dear Heany Park Families,

Below is an extract from our School Newsletter explaining the reasons and implications of the Working With Children Check

Parent volunteers are a valuable asset to our school. Their contributions and support to our staff and students over the years has helped make Heany Park Primary School the wonderful school it is today.

There are many opportunities for parents to become involved with the school such as assisting teachers and students with classroom activities and reading, volunteering to assist at excursions, camps or sporting events, running programs such as our monthly book club, student banking and much more.

In order to ensure we provide a safe and secure environment for our children and all members of our school community, including our parent volunteers, School Council has asked that from the beginning of the 2014 school year all parents volunteering at Heany Park Primary School hold a current Working With Children Check. This requirement is also in line with the Department of Education and Early Childhood Development guidelines and the Working With Children Act 2005. As of Semester 2, the school requires all parent volunteers to have a current Working With Children Check.

Because of this requirement only people who have a current Working With Children Check and who have been asked by a member of our teaching staff are able to attend and participate in school excursions. If you do attend an excursion you will not be able to join the Heany Park Primary School group for the educational activities or to interact with the students.

It also means that all volunteers, whether for classroom activities, camps, sporting events etc, require a current Working With Children Check.

To apply for a Working With Children Check simply follow these steps:
1. Go online to www.workingwithchildren.vic.gov.au
2. Click on the Apply for Check button
3. Scroll to the bottom of the page and click on the Start Application button
4. When you have completed all the questions simply print your application and lodge it with a passport size photo at your Local Post Office.

Please ensure that you list Heany Park Primary School as an organisation at which you are volunteering.

There is no cost to apply for a Working With Children Check for parent volunteers. There may however be a cost involved with obtaining a passport size photo. A card will be issued to you once all checks have been passed and this card will be valid for 5 years and can be used when volunteering at sporting clubs, kindergartens and so on, providing the organisation is listed on your application.

Thank you for your support.
