Family Information Sessions

How we teach reading and writing in Foundation was held on 3 March. This was well attended by our current Foundation families and a couple of prospective families for 2017. I would like to draw your attention again to other information sessions we are holding this year that may be of interest to you. These were listed on each level's PYP Yearly Overview that was sent home on Jan 28. These overview documents are very useful as they inform you of the units of inquiry for each level over the year. They are also posted on the school website.

How we teach reading and writing in Years 1 to 6 to be held on 20 April at 9:00am
How we teach Maths at Heany Park PS to be held on 20 July at 9:00am
How our candidate status as an International Baccalaureate School Is changing learning and teaching at Heany Park PS to be held 31 August at 9:00am

Sharing Learning in the Senior School

‘A person’s behaviour and how they choose to present themselves project aspects of their identity’. Come along and join us at 9:15am in the Senior building. Students have chosen a product to create to showcase their learning during this unit of inquiry which focused on the transdisciplinary theme of ‘Who We Are’.

Harmony Day

At Heany Park we will be celebrating Harmony Day on Tuesday 22nd March. On this special day, we recognise the large number of countries and languages represented at our school. Look out for the notice which will come home soon from Ibu Brown.
Understanding Cultural Diversity Workshop - For Year 5 and 6 students 24 March
The Senior School will participate in a workshop delivered by the JCMA-Jewish Christian Muslim Association of Australia.
The JCMA provides an education program for primary and secondary students in both government and non-government schools, which aims to positively counter stereotypes and race-based or religious discrimination and eliminate hatred, vilification and misunderstanding. The program provides concrete experiential learning for students through their meeting face to face simultaneously with people from Jewish, Christian and Muslim faith backgrounds, and promotes positive behaviours, open communication and engagement across communities. This 90 minute interactive workshop is an ideal adjunct to the Unit of Inquiry just completed by the senior school students.
The interactive program includes:
• Sharing of life experiences
• Linking issues of community identity, diversity and faith
• Interactive Question and Answer session

School Camp to Club Lorne
We hope all of our campers from the Senior school, staff, parents and students, have a wonderful time at Lorne next week. The opportunity offers them surfing each day and also education on safety around water. This is the very serious part that is invaluable. The camp is held in the Lifesaving club at Lorne. The forecast is low 20s. We look forward to hearing about your experiences next week.

School Council AGM and first meeting with new committee 9 March at 7:00pm
Thank you to all the candidates, it is heartening to know that we have these wonderful people in our community prepared to take on this important role. The four successful candidates were: Glenn Alford, Gina Mastromanno, Trent Brinsley, Annalise Scarman. Our other candidates and also all School Community members are encouraged to contribute to School Council by attending any of the sub-committees:
• Education and Policy – next meeting 22 March at 7:00pm
• Community Relations / PFA - next meeting 11 May at 7:00pm
• Buildings, Grounds and Facilities - tba
• Out of School Hours Care – 16 March at 7:30pm

Reading Eggs
We have purchased the ability to use the ABC Reading Eggs and Reading Eggspress programs at school and in your homes across the whole school. Information about these programs and how to access them will be coming home. We welcome feedback on your experiences using them.

Digital Technologies
We have purchased a trolley of iPads for use in the junior school. There are 30 iPads available, 24 of which are brand new.
We are in the process of ordering trolleys of notebook computers for each level to replace the desk top computers that are in the shared space between each room. These should be installed in term 2.
Swimming Carnival
Congratulations to Luke who earned the honour of swimming at regional level in breaststroke on Monday. The competition was fierce and Luke was proud to represent our school.

Student Leaders 2016
Congratulations to Ms V and all our student leaders who participated in the yLEAD leadership training on Monday. Ms V reports:
The Year 6 student leaders participated in an engaging and interactive young leaders program designed to develop the leader within. They were involved in learning experiences that aimed to empower them to be their best and make a positive difference in the school community and beyond. The students were encouraged to see themselves as everyday heroes that have everything they need to make a difference in society. The student leaders were asked to identify their goals for their individual roles so that at the end of the year they could reflect on how they made a difference for Heany Park. The yLead team emphasized that as a leadership group they each had different strengths and by working together they could utilize those strengths to make a positive difference for Heany Park. They are now planning to put what they learnt into action to achieve their goals.
‘The yLead Team helped us with our leadership skills by boosting our confidence when meeting new people, doing tasks about cooperation with everyone working together to create everyday appliances with our bodies and discussing what leaders we want to be’. Lachlan 6LH
‘The yLead Team taught us how we could cooperate as a team and how we could help show ourselves as positive role models’. Andrew 6LH.
‘The ylead team taught us in an effective and fun way so that we can work together to help make Heany Park the best it can be’. Jasper 6CV.
Buddy Program

This program has commenced and Foundation students have been having a lot of fun working with Year 6 students.

Community Relations and PFA

The Mummies’ Night In Event on Friday 4 March was a tremendous success. Libbi Gorr (aka Elle McFeast) is a brilliant orator, intelligent and perceptive. Humour was her dominant mode as she explored how women sometimes maybe do not support each other as much as they could. She was extremely insightful and in this week of International Women’s Week gave food for thought. I felt like there was a strong connection to the learning happening in the senior school at the moment in their unit of inquiry ‘A person’s behaviour and how they choose to present themselves project aspects of their identity’.

A very big thank you to PFA for their organisation and work on this event, it certainly was a fun forum to develop community relations and also raised around $3000 I believe, final figures still to be calculated.

Duty of Care

Can I please inform you that we do not have staff on duty at school until 8:30am. This morning we had 8 children at school playing in the grounds unsupervised at 8:00am. We provide ‘Before School Care’ to ensure students safety if they need to come to school before 8:30am.
Sharing learning in the Junior School – Family Twilight Evening

‘The choices people make affect their health and wellbeing’. Students will share their learning during this unit of inquiry which focused on the transdisciplinary theme of ‘Who We Are’.

Thank you to the families who attended last night, it was good to see so many were able to come and enjoy the learning experiences with their children.

The Junior school showcased some of their learning in assembly this week also which was a pleasure to see and hear, thank you to the families who came along to support this.

If you have any questions or concerns please always know that I am available to speak with you. Do not hesitate to contact me by phone or make an appointment via the office.

Kind regards
Janet Evison
Principal
This week’s Learner Profile attribute: PRINCIPLED

Students act with integrity and honesty and a strong sense of fairness, justice and respect for the dignity of the individual, groups and communities. They take responsibility for their own actions and the consequences that accompany them.

Activities for Parents

• Involve your child in deciding on the rules for a game or activity and then ensure that they stick to the ones that they have decided upon.
• Encourage your child to play games that involve teams. Discuss with your child the qualities of a team player. What sort of person would they like to be on their team?
• When your child wins a game insist that he or she is a well-mannered winner. They may wish to shake hands with their opponent or thank them for the game.
• When playing a game, don’t change the rules or let your child win. Being a gracious loser is just as important as being a good winner.

HOUSE CROSS COUNTRY

The House Cross Country will be held on Thursday, 24th March from 9.00am - 11.00am on the school oval. All parents are welcome to attend. Children are permitted to wear tshirts and socks in their house colours.
Year 6 Mark Making Sea Creatures

One of the Essential Elements of Visual Arts is to strive to express oneself creatively at all times and Year 6 students were put to the test by creating these sea creatures with the use of everyday items such as strings, lids, corks, pegs, sponges, leaves, sticks and straws. No paint brushes nor finger painting was allowed and the students had created a range of sea creatures, from squids to crabs to exotic looking fish. Artwork from the following students had narrowly missed being in the finals for the Wellington Village Art Competition. The ten finalists’ artwork will be on display from 12th March to 21st March, so please give the children your support by viewing their work at the shopping centre.

Students at Foundation were shown pictures of Monet’s ‘Garden’ art pieces and encouraged to talk about his paintings. They then used different shades of green oil pastels to draw the leaves and bushes as well as other colours to draw the flowers. They completed their art work by brushing over their work with food dye. Congratulations to the 10 students below who made it to the final round of the Wellington Village Art Competition. The judging of the competition will be held at 4.00pm on Friday 18th of March.

GOING BACK TO WORK?

STUDYING?

INCREASING YOUR WORKING HOURS?

NEED TIME FOR YOURSELF, OR ADDITIONAL SOCIAL INTERACTION FOR YOUR CHILD?

Then you may need care for your child Before and After school hours. We offer high quality care with qualified staff members.

At the end of last year our OSHC service received an overall rating of “Exceeding” during the assessment process run by the Department of Education and Training.

Our program offers stimulating activities and focuses on children’s health and well-being.

We provide a healthy and nutritious breakfast and afternoon tea. Many parents comment that their child/ren won’t eat certain vegetables, etc. at home but eat them at After School Care. Many parents request our recipes, which we are happy to give to them.

Often in the afternoon children negotiate with their parents to stay longer because they are having so much fun. Many parents now deliberately leave their children longer in the hope their children will be happy to leave and go home.

If you are interested in booking your child/ren into the OSHC service, there are vacancies in both the Before School Care and After School service.

For further enquiries or questions please contact the Co-ordinator, Sue Houghten, on 0418 587 460.

Heany Park Primary School - The Weekly Well
Working With Children Checks

Dear Heany Park Families,

Below is an extract from our School Newsletter explaining the reasons and implications of the Working With Children Check

Parent volunteers are a valuable asset to our school. Their contributions and support to our staff and students over the years has helped make Heany Park Primary School the wonderful school it is today.

There are many opportunities for parents to become involved with the school such as assisting teachers and students with classroom activities and reading, volunteering to assist at excursions, camps or sporting events, running programs such as our monthly book club, student banking and much more.

In order to ensure we provide a safe and secure environment for our children and all members of our school community, including our parent volunteers, School Council has asked that from the beginning of the 2014 school year all parents volunteering at Heany Park Primary School hold a current Working With Children Check. This requirement is also in line with the Department of Education and Early Childhood Development guidelines and the Working With Children Act 2005. As of Semester 2, the school requires all parent volunteers to have a current Working With Children Check.

Because of this requirement only people who have a current Working With Children Check and who have been asked by a member of our teaching staff are able to attend and participate in school excursions. If you do attend an excursion you will not be able to join the Heany Park Primary School group for the educational activities or to interact with the students.

It also means that all volunteers, whether for classroom activities, camps, sporting events etc, require a current Working With Children Check.

To apply for a Working With Children Check simply follow these steps:
1. Go online to www.workingwithchildren.vic.gov.au
2. Click on the Apply for Check button
3. Scroll to the bottom of the page and click on the Start Application button
4. When you have completed all the questions simply print your application and lodge it with a passport size photo at your Local Post Office.

Please ensure that you list Heany Park Primary School as an organisation at which you are volunteering.

There is no cost to apply for a Working With Children Check for parent volunteers. There may however be a cost involved with obtaining a passport size photo. A card will be issued to you once all checks have been passed and this card will be valid for 5 years and can be used when volunteering at sporting clubs, kindergartens and so on, providing the organisation is listed on your application.

Thank you for your support.
