HPPS SCHOOL CAPTAINS 2016
Kayla, Amali, Lachlan and Andrew
Hello Families,
What a wonderful response we had to the Celebration of Learning Assemblies. Each area of the school was fully supported by parents, grandparents and family friends. It was very special to see the students share their learning so honestly and passionately. I personally thoroughly enjoyed these events and from feedback we have had so did our school community. Ms Julie Kennedy, Principal from Rowville Secondary College attended our Middle School Assembly and was very impressed with the complexity of work and presentation. Thank you sincerely for your support.

Celebration of Learning in the Middle School
Mother’s Day
We hope you had a wonderful Mother’s day. Our foundation students really enjoyed inviting their mums to an afternoon tea.
Student learning and progress
If you wish to speak with your child’s teacher about progress in learning, a concern or question please make an appointment for a time that suits you. The Three Way Conferences will be held on 21 and 23 June to celebrate students’ growth and make plans for the next steps in learning.

Transdisciplinary Learning
Please see the report in this week’s newsletter from the Transdisciplinary Professional Learning Team outlining their work so far this year.

Student Free DAYS 14 & 15 June - Professional Learning for staff
Please remember we will be having two student free days on 14 & 15 June. The International Baccalaureate are facilitating professional learning for all staff. You may book in to our Out of Hours School Care Program for these days – please see Sue Houghten or ask at the office.

School Council
The next meetings are:
School Council 25 May at 7:00pm – the Annual Report for 2015 will be presented to Council, all members of our School Community are welcome
Education and Policy - 7 June 7:00pm
Buildings, Grounds & Facilities - 1 June 9:00am
Community Relations and PFA - 8 June 7:00pm
OSHC - 17 August 7:30pm

Art Mural – joint project with Rowville Secondary College
We are planning to create a mural on the walls in the undercover area of the Middle School Building. Student and community ideas are being recruited. Please put your suggestions in the box in the library by Friday 27 May.

If you have any questions or concerns please always know that I am available to speak with you. Do not hesitate to contact me by phone or make an appointment via the office.

Kind regards
Janet Evison
Principal
THREE WAY CONFERENCES ARE COMING
Tuesday 21st June and Thursday 23rd June

With Three Way Conference approaching I thought it would be an opportunity to explain what a Three Way conference is.

As part of our journey to becoming an IB (International Baccalaurate) school, one of the reporting processes outlined is the collaboration between student, teacher and parent to establish and identify the student’s strengths and areas for improvement.

What are Three Way Learning Conferences and what do they look like?
Three Way Learning Conferences are a conversation between the student, their parents and their teacher. The student has an opportunity to share with their parents, with the support of their teacher, their growth as a learner.
All three partners - student, parents and the teacher - sit together and talk about the student’s learning by looking at and discussing a range of the student’s work samples.
Each conference will last for fifteen minutes with times selected through our on-line booking system.

What does the research say?
Professor John Hattie (formerly University of Auckland) identifies student self-reporting as the most significant indicator linked to raised student achievement.

Black & Wiliam: “the process of students reflecting on their learning, through effective questioning that promotes the articulation of student thinking, is integral to classroom assessment practices that enhance student learning.”

Three Way Learning Conferences achieve the following:
• help students demonstrate evidence of learning
• teach students the process of reflection and self-evaluation
• facilitate the development of students’ organisational and oral communication skills and increase their self-confidence
• encourage students, parents, and teachers to engage in open and honest dialogue
• encourage students to accept personal responsibility for their learning

MORE INFORMATION ON THE BOOKING SYSTEM AND THE ROLE OF THE PARENT AND STUDENT WILL FOLLOW IN THE WHOLE SCHOOL NEWSLETTER
This week’s Learner Profile attribute: Knowledgeable

Students will explore concepts, ideas and issues that have local and global significance. In so doing, they acquire in-depth knowledge and develop understanding across a broad and balanced range of disciplines.

Activities for Parents

- Encourage your child to read books at home that correspond to the topics being covered in school
- Ask your child about what they are learning in school and engage them in conversations about it:
  - “Why do you think that is an important thing to think about?”
  - “Can you think of anything happening in the world today that might be similar to that aspect of history?”
- Encourage your child to become familiar with current events and to read the newspaper and watch the news, when appropriate.

“Learning is a treasure that will follow its owner everywhere.”

- Chinese proverb

We learn something new everyday.
Transdisciplinary Professional Learning Team
Review/Update

The Transdisciplinary team consists of teachers from across the year levels. The team meet on a regular basis to discuss and set goals in accordance with the School Strategic Plan. The teachers on the team are Kirsty Bone, Raewyn Williams, Kylie Smith, Rebecca Laver, Robyn Davis, Heather Brown, Sharon Lai, Sam Menzies and Prue Cunningham.

We began the year by developing our essential agreement and setting goals and developing plans to achieve the best outcomes for the students.

Our Teams Essential Agreement

*We will have fun, experimenting and taking risk with new learning. We will appreciate curiosity and desire to learn more and gain a deeper understanding. We will respect each other’s ideas and contributions, working co-operatively to further the school’s knowledge of the IB program.*

Some of the goals which were identified are as follows:

- Become a candidate school for the International Baccalaureate Primary Years Program
- Becoming familiar with the IB Transdisciplinary Planner
- Align the 9 text types across the Units of inquiry
- Deepening the staff understanding of formative and summative assessment
- Three Way Conference
- Develop the Program of Inquiry F – 6 (42 Units)
- Plan the whole year to include events and units of inquiry for greater community engagement.

Over the semester many initiatives have been implemented by the team:

- The school became a candidate school in March 2016
- The staff have begun using and reflecting on the IB Transdisciplinary planner during collaborative planning session across the year levels
- In conjunction with the Literacy PLT the 9 text types have been aligned with the units of inquiry across the year levels to ensure all genres are taught explicitly over the year
- Three Way Conferences have been discussed and procedures put in place to ensure all staff, students and parents have a better understanding of the purpose for Three Way Conferences. Information will be sent home to parents via the Whole School Newsletter
- The development of the 42 Units of Inquiry is complete and is being reviewed vertically to ensure all areas of the curriculum are covered and reflect the Victorian Curriculum.
- The Year Level Units of Inquiry and events schedule for parents was distributed in the first week of school. It has been updated and re-sent for Term Two
- The Curriculum Letter and Learning in the Classroom Newsletters were implemented and are distributed every 2 weeks on a rotating cycle
- The Learner Profile attributes are explained and examples of how they can be implemented at home are in the Whole School Newsletter

An information session on Wednesday 31st August at 9.00am has been scheduled for parents to come and learn more about IB (International Baccalaureate) and the PYP (Primary Years Program) at Heany Park. Hope to see you there.

Kym Ryan PYP Co-ordinator

VICTORIAN PREMIERS’ READING CHALLENGE

Thank you to everyone who has already returned their permission form. To the others, can you please return it as soon as possible? As these are returned I will then enter the students on the website and create their user names and passwords. If anyone needs another form they can collect one from the notice wall near the office.

For more information about the Victorian Premiers’ Reading Challenge and to view the booklists, visit: www.education.vic.gov.au/prc

Happy reading,
Michelle Mitchell and Gail Werrett, on behalf of the English Committee.

SECOND HAND UNIFORM SHOP

The second hand uniform shop will now be open EVERY MONDAY from 3.15 - 3.45pm. Items are priced from $2 - $5. Heaps of stock available. Come and grab a bargain!

Thanks
Lisa and Natasha

ENROLMENTS 2017

If you have a prep starting in 2017 and haven’t yet enrolled them, please see the office to collect an enrolment pack.
If you know of any families intending to send their children to Heany Park who have not yet enrolled, please encourage them to contact the office to book a tour or collect an enrolment pack.

SICK BAY

If your child is/has been sent home in clothes from sick bay, could we please ask that they are returned? The stock we started with at the start of the year has been seriously depleted.

Thankyou to those families who donated underpants for sick bay. It is much appreciated.

CANTEEN NEWS

The price of chicken crumbed tender has risen from $1.60 to $1.80 effective immediately.
The sausage sizzle was a huge success and the kids enjoyed their special lunch.

Thank you to all the parents who volunteered their time to make a fun day.

See You There!!
Welcome to our ‘i sea, i care’ Ambassadors ...

2016 got off to a great start for the Melbourne schools with many coming out on Moonraker for their first session of the year, a boat trip around Port Phillip, checking out the seals at Chinamans Hat and snorkelling with weedy sea dragons at Portsea.

The Ambassadors will be champions for the marine environment for the year and hopefully for the rest of their life and so this is a fantastic way to introduce them to the wonderful treasures we have here in Victoria.

Our brand new website is now up and running and it’s very exciting for Co-ordinators, Ambassadors and Parents alike. Click on the ‘i sea, i care’ button for more information about the program, individual region pages, upcoming workshop information and the latest posts.

Ambassadors can post replies on the blogs and even send us photos of their activities to upload. And the best thing is NO PASSWORD.

We want you to use the website as much as possible so give it a go. Parents, if you would like more information about us, send an email to admin@dolphinresearch.org.au and go on our e-bulletin mailing list.

On Sunday, May 1st, Ambassadors from 21 ‘i sea, i care’ schools gathered at Hastings foreshore. They walked (some ran!) for Western Port in the rain and wind! This is a day for Ambassadors from our seven regions to gather together and show that Victoria’s living marine treasures are too precious to lose!
GOING BACK TO WORK?

STUDYING?

INCREASING YOUR WORKING HOURS?

NEED TIME FOR YOURSELF, OR ADDITIONAL SOCIAL INTERACTION FOR YOUR CHILD?

Then you may need care for your child Before and After school hours. We offer high quality care with qualified staff members.

At the end of last year our OSHC service received an overall rating of “Exceeding” during the assessment process run by the Department of Education and Training.

Our program offers stimulating activities and focuses on children’s health and well-being.

We provide a healthy and nutritious breakfast and afternoon tea. Many parents comment that their child/ren won’t eat certain vegetables, etc. at home but eat them at After School Care. Many parents request our recipes, which we are happy to give to them.

Often in the afternoon children negotiate with their parents to stay longer because they are having so much fun. Many parents now deliberately leave their children longer in the hope their children will be happy to leave and go home.

If you are interested in booking your child/ren into the OSHC service, there are vacancies in both the Before School Care and After School service.

For further enquiries or questions please contact the Co-ordinator, Sue Houghten, on 0418 587 460.

Working With Children Checks

Dear Heany Park Families,

Below is an extract from our School Newsletter explaining the reasons and implications of the Working With Children Check

Parent volunteers are a valuable asset to our school. Their contributions and support to our staff and students over the years has helped make Heany Park Primary School the wonderful school it is today.

There are many opportunities for parents to become involved with the school such as assisting teachers and students with classroom activities and reading, volunteering to assist at excursions, camps or sporting events, running programs such as our monthly book club, student banking and much more.

In order to ensure we provide a safe and secure environment for our children and all members of our school community, including our parent volunteers, School Council has asked that from the beginning of the 2014 school year all parents volunteering at Heany Park Primary School hold a current Working With Children Check. This requirement is also in line with the Department of Education and Early Childhood Development guidelines and the Working With Children Act 2005. As of Semester 2, the school requires all parent volunteers to have a current Working With Children Check.

Because of this requirement only people who have a current Working With Children Check and who have been asked by a member of our teaching staff are able to attend and participate in school excursions. If you do attend an excursion you will not be able to join the Heany Park Primary School group for the educational activities or to interact with the students.

It also means that all volunteers, whether for classroom activities, camps, sporting events etc, require a current Working With Children Check.

To apply for a Working With Children Check simply follow these steps:
1. Go online to www.workingwithchildren.vic.gov.au
2. Click on the Apply for Check button
3. Scroll to the bottom of the page and click on the Start Application button
4. When you have completed all the questions simply print your application and lodge it with a passport size photo at your Local Post Office.

Please ensure that you list Heany Park Primary School as an organisation at which you are volunteering.

There is no cost to apply for a Working With Children Check for parent volunteers. There may however be a cost involved with obtaining a passport size photo. A card will be issued to you once all checks have been passed and this card will be valid for 5 years and can be used when volunteering at sporting clubs, kindergartens and so on, providing the organisation is listed on your application.

Thank you for your support.
