HPPS SCHOOL CAPTAINS 2016
Kayla, Amali, Lachlan and Andrew
Hello Families,

We have suddenly arrived at winter. Our Year 5 students are enjoying the temperatures in Ballarat; from all accounts so far they are having a tremendous time.

**Student Free DAYS 14 & 15 June - Professional Learning for Staff**

Please remember we will be having two student free days on 14 & 15 June. The International Baccalaureate is facilitating professional learning for all staff. You may book in to our Out of Hours School Care Program for these days – please see Sue Houghten or ask at the office.

**Library**

I know the library is a very important area of the school and it pains me to announce this but the library will be closed from 14 June to 24 June. It will also be closed for lunch time craft activities for the last two weeks of term. However there is a very genuine and exciting reason for this. It is due to the preparation and installation of the new computers. If you wish to stock up on books please do so this week.

**Art Mural – joint project with Rowville Secondary College**

Thank you to the whole school community for their ideas. Robbie and Georgia, our two Junior School Council Leaders have collated the suggestions. Here they are:

- Student reading a book
- The world with kids around it
- Sport
- The Library
- School Well

E-Learning – Computers

We have taken delivery of 260 hardware items that will be checked off and prepared to facilitate our new notebook trolleys that will be in each area of the school. This will happen in the library from 14 June onwards. All of the desktops from around the school will need to be collected, boxed and returned. This will also happen in the library. Consequently we are closing the library from 14 June until the job is finished to ensure safety of all. We very much hope everything will be up and running for the first day of Term 3.

School Council

The next meetings are:
School Council - 22 June at 7:00pm
Education and Policy - 19 July 7:00pm
Buildings, Grounds & Facilities - 27 July 6:15pm
Community Relations and PFA - 27 July 7:00pm
OSHC - 17 August 7:30pm

Excursions and Incursions Policy

Our school policy is currently being reviewed by staff and School Council. One change that has been mandated by DET is that for excursions offsite the parent permission form needs to be completed in duplicate. One form will be headed up ‘Administration copy’ and this will be kept in the office, the second will be headed ‘Teacher Copy’. This will be taken by the teacher on the excursion. We will soon be implementing this change; we hope you can support us with this requirement.
Football Posts and Graffiti Vandalism

My sincere apologies that it has taken most of this term to resolve this issue. Communication with our insurers, police, assessors and time to get companies to quote the job has been an arduous process. However I am pleased to say that we have a very good outcome. The $7000 costs will be funded by our insurance. The new posts which meet new safety standards will be erected in the holidays and the graffiti will be professionally removed on 14 and 15 June.

If you have any questions or concerns please always know that I am available to speak with you. Do not hesitate to contact me by phone or make an appointment via the office.

Kind regards
Janet Evison
Principal
THREE WAY CONFERENCES ARE COMING
Tuesday 21st June and Thursday 23rd June

With Three Way Conference approaching I thought it would be an opportunity to explain what a Three Way conference is.

As part of our journey to becoming an IB (International Baccalaureate) school, one of the reporting processes outlined is the collaboration between student, teacher and parent to establish and identify the student’s strengths and areas for improvement.

What are Three Way Learning Conferences and what do they look like?

Three Way Learning Conferences are a conversation between the student, their parents and their teacher. The student has an opportunity to share with their parents, with the support of their teacher, their growth as a learner.

All three partners - student, parents and the teacher - sit together and talk about the student’s learning by looking at and discussing a range of the student’s work samples.

Each conference will last for fifteen minutes with times selected through our on-line booking system.

What does the research say?

Professor John Hattie (formerly University of Auckland) identifies student self-reporting as the most significant indicator linked to raised student achievement.

Black & Wiliam: “the process of students reflecting on their learning, through effective questioning that promotes the articulation of student thinking, is integral to classroom assessment practices that enhance student learning.”

Three Way Learning Conferences achieve the following:
• help students demonstrate evidence of learning
• teach students the process of reflection and self-evaluation
• facilitate the development of students’ organisational and oral communication skills and increase their self-confidence
• encourage students, parents, and teachers to engage in open and honest dialogue
• encourage students to accept personal responsibility for their learning
Three Way Conferences: Tuesday 21st and Thursday 23rd June

HAVE YOU BOOKED YOUR THREE WAY CONFERENCE???

By now all parents should have receive information about booking their Three Way Conference with their child’s teacher. (Hard copy and on TipBiz)
In the last Whole School Newsletter it was explained the importance of Three Way conference for your child’s learning and research which supported the conference process. This week I would like provide you with some guidelines and suggestions to help the process run smoothly at on the day.

**QUESTIONS to ask your child during the Conference:**

- Where did you get the idea for this piece of work?
- Why have you chosen this piece of work to share with us?
- Can you tell me what you have learnt from this activity?
- Is there anything you could improve next time?
- What do you think you are good at, at school?
- What would you like to set for your next goal? Tell me how you will reach your goal.
- Tell me about an efficient strategy you used to solve this problem.
- Why did you choose to do this activity?
- What did you find interesting about this activity?
- How did you find your information?
- Tell me something you have learnt through your Units of Inquiry.
- Tell me about something that you have really enjoyed.

This week’s Learner Profile attribute: Communicator

Students will understand and express ideas and information confidently and creatively in more than one language and in a variety of modes of communication. They work effectively and willingly in collaboration with others.

Activities for Parents

• Encourage your child to stay in touch with relatives and friends who live in other countries by writing letters, using the telephone or sending emails.
• When working with homework, encourage your child to explain his/her answer to you orally or by drawing a picture.
• Work with your child to improve his/her listening skills. Being a good listener is an important part of communicating with others.

"The words you choose to say something are just as important as your decision to speak.”
— Author Unknown

We share ideas in many ways. We listen to others.
We communicate in more than one language.

Middle Years
Ships from the First Fleet

This artwork is linked to the middle years’ inquiry unit on making connections between the past and present. The ‘Lift and Dab’ sponging technique was used to paint the sky and the concepts learnt in this activity are:

Connection
How are the ships from the First Fleet different from the present ships? Who were in these ships and why did they sail to Australia? How are they connected to the present people of Australia?

Reflection & Function
Reflect on the conditions of these ships and the perils faced by these passengers. Think about the types of paper used for the sea collage. Which ones are effective in making the sea look rough?

GRADE 5 CAMP - EARLY ARRIVAL TIME

The grade 5 campers will be arriving back earlier than stated in the camp details. They will now be ARRIVING AT 4.30PM instead of 5.30pm.

VICTORIAN PREMIERS’ READING CHALLENGE

Just a reminder that if you haven’t signed up for this year’s Victorian Premiers’ Reading Challenge and would like to do so, can you please come and see Michelle this week to get a permission form?

Remember, the Challenge ends on Friday August 26, still plenty of time to get those books read.

To everyone who has already signed up, Good Luck and Happy Reading!

Mrs Werrett and Michelle – Library Technician

SECOND HAND UNIFORM SHOP

The second hand uniform shop will now be open EVERY MONDAY from 3.15 - 3.45pm. Items are priced from $2 - $5.

ENROLMENTS 2017

If you have a prep starting in 2017 and haven’t yet enrolled them, please see the office to collect an enrolment pack.

If you know of any families intending to send their children to Heany Park who have not yet enrolled, please encourage them to contact the office to book a tour or collect an enrolment pack.

SICK BAY

If your child is/has been sent home in clothes from sick bay, could we please ask that they are returned? The stock we started with at the start of the year has been seriously depleted.

Thankyou to those families who donated underpants for sick bay. It is much appreciated.

LOST PROPERTY

Can I please ask all parents to label their children’s school uniform, especially their jackets? We have a lot of unnamed lost property at the moment.

Could you please also encourage your child to check lost property themselves if anything goes missing? It should also be your first port of call when checking for lost items.

TIQBIZ AND ABSENCES

The Tiqbiz app has the ability to notify the school if you child is away, which can save the necessity of sending a written note. You must select whole school, then absences, fill in the details and press submit.
QUARTERLY PAYMENTS
Please note that the next instalment for quarterly payments will commence on Monday 6th June.

ICT NEWS
Hello Students, Parents and Teachers,

We would like to introduce ourselves. We are Hannah and Ethan the ICT captains for 2016.

We have some good news to share with you about what is happening in ICT. The current computers are getting packed up by the technicians next week because the lease for them has ended. We need a change to keep up with technology. All the year levels except Prep are going to have laptops. There will be 16 in a trolley. There is a trolley of 30 iPads that the Preps, Ones and Twos have been sharing. There is also going to be a trolley of iPads for the specialists and Years 3 to 6 students to use if they need them as well. Now the school will be totally wireless. The technicians will have all of the trolleys ready for us to use on the first day back in Term 3. They will be really busy.

We need to be safe with the computers and make sure they are locked up and secure each night.

Heany Park Primary School is an eSmart school which means we all practise using the internet safely. We use the safe search engine called Primary Connect and we close any browsers if we see inappropriate information. Next term will be give you all some more helpful tips about being safe on the internet and some helpful tips about caring for our new equipment.

GOING BACK TO WORK?  

STUDYING?  

INCREASING YOUR WORKING HOURS?  

NEED TIME FOR YOURSELF, OR ADDITIONAL SOCIAL INTERACTION FOR YOUR CHILD?

Then you may need care for your child Before and After school hours. We offer high quality care with qualified staff members.

At the end of last year our OSHC service received an overall rating of “Exceeding” during the assessment process run by the Department of Education and Training.

Our program offers stimulating activities and focuses on children’s health and well-being.

We provide a healthy and nutritious breakfast and afternoon tea. Many parents comment that their child/ren won’t eat certain vegetables, etc. at home but eat them at After School Care. Many parents request our recipes, which we are happy to give to them.

Often in the afternoon children negotiate with their parents to stay longer because they are having so much fun. Many parents now deliberately leave their children longer in the hope their children will be happy to leave and go home.

If you are interested in booking your child/ren into the OSHC service, there are vacancies in both the Before School Care and After School service.

For further enquiries or questions please contact the Co-ordinator, Sue Houghten, on 0418 587 460.

Working With Children Checks

Dear Heany Park Families,

Below is an extract from our School Newsletter explaining the reasons and implications of the Working With Children Check

Parent volunteers are a valuable asset to our school. Their contributions and support to our staff and students over the years has helped make Heany Park Primary School the wonderful school it is today.

There are many opportunities for parents to become involved with the school such as assisting teachers and students with classroom activities and reading, volunteering to assist at excursions, camps or sporting events, running programs such as our monthly book club, student banking and much more.

In order to ensure we provide a safe and secure environment for our children and all members of our school community, including our parent volunteers, School Council has asked that from the beginning of the 2014 school year all parents volunteering at Heany Park Primary School hold a current Working With Children Check. This requirement is also in line with the Department of Education and Early Childhood Development guidelines and the Working With Children Act 2005. As of Semester 2, the school requires all parent volunteers to have a current Working With Children Check.

Because of this requirement only people who have a current Working With Children Check and who have been asked by a member of our teaching staff are able to attend and participate in school excursions. If you do attend an excursion you will not be able to join the Heany Park Primary School group for the educational activities or to interact with the students.

It also means that all volunteers, whether for classroom activities, camps, sporting events etc, require a current Working With Children Check.

To apply for a Working With Children Check simply follow these steps:
1. Go online to www.workingwithchildren.vic.gov.au
2. Click on the Apply for Check button
3. Scroll to the bottom of the page and click on the Start Application button
4. When you have completed all the questions simply print your application and lodge it with a passport size photo at your Local Post Office.

Please ensure that you list Heany Park Primary School as an organisation at which you are volunteering.

There is no cost to apply for a Working With Children Check for parent volunteers. There may however be a cost involved with obtaining a passport size photo. A card will be issued to you once all checks have been passed and this card will be valid for 5 years and can be used when volunteering at sporting clubs, kindergartens and so on, providing the organisation is listed on your application.

Thank you for your support.
