

Heany Park
PRIMARY SCHOOL

How We Teach Children - MATHS

Wednesday July 26th from 6:30pm – 8pm

Heany Park Primary School

(Library)

The Maths Professional Learning Team will be presenting a hands-on parent information session on how Maths is taught at Heany Park Primary School at all levels.

We will demonstrate how we teach addition, subtraction, multiplication and division using materials and explain the mathematical language we use. We will also showcase Mathletics and other online resources used to teach Maths.

Each family will receive an information pack and details will be provided on how you can support your child at home.

For more information or to reserve a seat, please phone or email:

Heany Park Primary School 97645533

Email: heany.park.ps@edumail.vic.gov.au

.....
Please return to your child's teacher if you are attending the session.
