Literacy
In Literacy we are learning to
- write expositions, discussions and information reports
- apply reading strategies to identify details, sort facts and opinions and compare and contrast information
- recognize sound patterns in words and use these in our writing
- discuss the historical knowledge surrounding our artefacts and to orally present our learning

Numeracy
In Numeracy we are learning to
- recall multiplication and division facts
- identify the features of 3D shapes
- apply our place value knowledge in different ways
- read and create time tables and schedules
- input data in to pictographs
- apply our knowledge in mathematical investigations

Unit of Inquiry: Where We are in Place in Time
An inquiry into orientation in place and time; personal histories; homes and journeys; the discoveries, explorations and migrations of humankind; the relationship between and interconnectedness of individuals and civilisations; from local and global perspectives.

Central Idea
‘Evidence of past civilisations can be used to make connections to present day societies.’

Learner Profile
Reflective, Thinkers

Key Concepts
Form, Change, Connection
