4th October, 2016

Dear Parents,

SENIOR SCHOOL CERES EXCURSION
FRIDAY 21st OCTOBER, 2016

Transdisciplinary Theme: How The World Works

The central idea of our sixth unit of inquiry is:
Scientific knowledge is constantly evolving and has an impact on peoples’ lives.

What lines of inquiry will define the scope of the inquiry into the central idea?
- What leads to advances in scientific knowledge and understanding
- Scientific development comes with responsibility
- Scientific development has a positive influence on peoples’ lives

To explore these ideas, students in Year 5 and 6 will be attending an excursion to CERES.

CERES – Centre for Education and Research in Environmental Strategies, is an award winning, not-for-profit, sustainability centre located on 4.5 hectares on the Merri Creek in East Brunswick, Melbourne. Students will be given a guided tour and lesson at the facility and look at the advances in scientific knowledge and understanding. The students will be encouraged to think critically about their responsibility in the future and how scientific development influences peoples’ lives.

The CERES excursion will take place on: Friday 21st October, 2016 (for all Year 5 & 6 students)

It will cost $26.00 per student.

If you are available to assist on the day of the excursion, please let your teacher know via this notice.

Please return money and permission slip by Friday 14th October, 2016.

Kind regards

Senior School Team.
In accordance with new Government regulations, we are now required to hold signed permission notes at school and with the teacher in charge of the excursion. Please ensure that both sections of the permission slip are signed.

Admin copy: Please return permission form by Friday 14th October, 2016

SENIOR SCHOOL CERES EXCURSION
FRIDAY 21st OCTOBER, 2016

I give permission for my child ........................................ of Grade .............. to go to the CERES excursion on Friday 21st October, 2016.
