Cultural Lunch Friday 8th December 12.30

Dear Parents,

As part of our work on “How We Express Ourselves”, we are hosting a cultural lunch. Throughout the week, we will be making some traditional foods from other countries to eat on Friday.

For entrée, children will be making roti bread, dips (tatziki, hummus, guacamole) and nachos.

For their main lunch, we will be having fajitas (wraps) with chicken and salad. Children will make their own wrap. For catering purposes, please assist your child to fill out the check box indicating their preferred filling.

For dessert, we will be making Indian sweets: coconut burfi (without nuts), lamingtons and serving fresh fruit.

There will be opportunities to help with cooking throughout the week, plus on the day during the lunch. If you are able to assist during the week on Wednesday 6th (at 11.30), or Friday 8th (from 12.30), please indicate below.

To cover the cost of the foods, we are asking for \$5 per child. Any left over funds will be used to purchase craft activities for Christmas.

Many thanks,

Cassie, Anne & Penny
