Dear Parents,

I am writing to inform you that School Council have now finished their review of Out of Hours School Care provider options. As previously communicated Sue Houghten is having a change of role next year and will be working as a Teaching Assistant within the school day.

School Council have thoroughly researched options and spent many hours reading proposals and meeting to discuss options. I thank them whole heartedly for this as there has been a lot of time and energy committed to this work. I especially want to thank Tracy Baulman who did an amazing job of drawing up comparative studies to facilitate discussion.

We are pleased to announce that OSH Club will be the new service providers from 2018. We have arranged a meeting for interested parents to meet with them on 30 November at 6:30pm in the library. We expect the service to keep up the high standards and expectations that the Heany Park community have become accustomed to.

Please contact me if you have questions or concerns.

Kind regards

Janet Evison
Principal
