

Toyota 'Dream Car' Art Competition

All students from Years 3, 4, 5 and 6 participated in the Toyota 'Dream Car' art competition. Students were told about this competition end of last year and were advised to do some research on what makes a dream car. They were advised to look into environmentally-friendly and other innovative car designs to help in their creation. A few students brought some sketches of their dream car at the start of the year to help them work on their art pieces. The following 23 students' artwork have been chosen to represent our school:

Ben Miller	3DJ	Nicole Pranjic	3DJ
Madison Teh	3/4M	Layla Parker	3/4M
