School Tours

My name is Janet Evison and I have the privilege of being the Principal of Heany Park Primary School. I would like to invite you to take a tour of our wonderful school later in the year once we are able to.

We are a proud International Baccalaureate World School and Victorian Department of Education School who places the students at the centre of their own learning.

We believe that how our students learn and how we support them to learn is world's best practice and are constantly evolving and challenging our students and each other to be the best we can be.
