## Invitation to Tour

My name is Janet Evison and I have the privilege of being the Principal of Heany Park Primary School. I would like to invite you to take a tour of our wonderful school to help you make the decision as to which school your child will attend in 2022.

We are a proud International Baccalaureate World School and Victorian Department of Education School who places the students at the centre of their own learning.

We believe that how our students learn and how we support them to learn is world's best practice and are constantly evolving and challenging our students and each other to be the best we can be.

I very much look forward to hearing from you and do hope you take this opportunity to see for yourself what a great school Heany Park Primary School is.
