

DUTY OF CARE POLICY

PURPOSE

The purpose of this policy is to explain to our school community the non-delegable duty of care obligations that all staff at Heany Park Primary School owe to our students and members of the school community who visit and use the school premises.

SCOPE

“Duty of care” is a legal obligation that requires schools to take reasonable steps to reduce the risk of reasonably foreseeable harm, which can include personal injury (physical or psychological) or damage to property. The reasonable steps that our school may decide to take in response to a potential risk or hazard will depend on the circumstances of the risk.

OBJECTIVE

- To implement the policies and procedures our school has developed to manage common risks in the school environment, including:
 - Anaphylaxis Management
 - Bullying Prevention
 - Camp
 - Child Protection Reporting (Mandatory Reporting)
 - Excursions and Incursions
 - First Aid and Medications
 - Child Safe Standards
 - External Providers
 - Emergency Management
 - Information Privacy
 - Occupational Health and Safety
 - Student Mobile Phones
 - Sun Smart
 - Volunteers
 - Visitors to Schools
 - Working with Children
 - Yard Duty and Supervision

GUIDELINES FOR IMPLEMENTATION

- Staff at our school understand that school activities involve different levels of risk and that particular care may need to be taken to support younger students or students with additional needs.
- Our school also understands that it is responsible for ensuring that the school premises are kept in good repair and will take reasonable steps to reduce the risk of members of our community suffering injury or damage because of the state of the premises.
- School staff, parents, carers and students are encouraged to speak to the principal to raise any concerns about risks or hazards at our school, or our duty of care obligations.

External Providers

- Staff at our school acknowledge that, as our duty of care is non-delegable, we are also required to take reasonable steps to reduce the risk of reasonably foreseeable harm when external providers have been engaged to plan for or conduct an activity involving our students.

- Our *Visitors to Schools Policy, Camp Policy and Excursions & Incursions Policy* include information on the safety and care of our students when engaged with external providers.
