MISSION

Heany Park Primary School is a child centred community, empowering students to be inquiring, responsible, compassionate and globally minded citizens.

Our teaching and learning embodies our school values and drives the development of challenging and engaging programmes.

This enables our students to become lifelong learners, who take action to promote a peaceful and sustainable world through respect and understanding.

Heany Park Primary is an International Baccalaureate (IB) World School offering the Primary Years Programme. IB World Schools share a common philosophy, a commitment to improve the teaching and learning of a diverse and inclusive community of students by delivering challenging, high quality programmes of international education that share a powerful vision.

Heany Park Primary School's mission statement is displayed side by side with the IB mission statement in each learning space in the school:

The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

Heany Park Primary School's core values are:

Respect - being tolerant, caring and supportive, and valuing ourselves and each other
