

Junior Years: Masks

Students looked at a range of African masks and learnt about their purposes and the roles of the wearers in their respective communities. They also looked at various African designs and used them on their own masks. Students had to state the name and purpose of their own mask creation.

~ Sharon Lai, Visual Arts Teacher ~

Fern – Worn by hunters.

Alyna. 1AK

Deago – Worn by the person who keeps my home safe.

Adrian 1CP
